KENT POLICE DEPARTMENT

301 SOUTH DEPEYSTER STREET KENT, OHIO 44240 330-673-7732

MICHELLE A. LEE

Chief of Police

TO: City Manager Dave Ruller

Mayor Jerry Fiala

Kent City Council

FROM: Chief Michelle A. Lee

SUBJECT: Kent Police Department 2019 Annual Report

DATE: February 21, 2020

On behalf of the members of the Kent Police Department, I am pleased to present you with the 2019 Annual Report. This report is intended to provide the Kent community with a greater insight of the programs, activities and accomplishments of their police department. The report also summarizes the crime and accident trends for Kent as well as clearance rates.

CITY

The year began with several positive staffing changes from within our patrol division, records department and administration. This included a newly promoted Captain to replace a resignation the previous year. That promotion then triggered promotions in the lesser ranks as well. We eliminated our part-time dispatch positions to add two full-time dispatchers and a records-clerk. These staffing changes came with some subtle operational differences but overall our department has become more efficient and productive. For the first three quarters of the year we encountered nominal patrol activity with the exception of a robust St. Patrick's Day celebration in which 26 arrests were made. This subdued activity enabled us to engage in many community policing activities. Many of those activities are explained within the pages of this report. During the fall we encountered a graffiti "tagger" targeting downtown businesses, a trespasser menacing sorority houses and a neighborhood complaint on park Ave. of residential drug activity. To combat these issues we engaged the assistance of our drug task force, the US Marshals, Kent State University

Police, detectives, patrol officers and our social media. As a result of our collaboration we made 9 arrests to eliminate all three of these threats that plagued the Kent community. We finished out the year with few other complaints.

In reviewing our crime statistics you'll find modest comparisons to the previous year with a few significant changes. Calls for service increased 10%, OVI arrests increased 17% and traffic citations increased 8%. Parking citations issued decreased by 5% which I attribute to the aging and often non-functioning parking meters downtown. More significant trends can be found in the 10 year crime index page. Significant decreasing trends can be found in arsons, burglaries and larceny offenses. These crime trends are also reflected in our arrests over a 10 year period which have also decreased.

What cannot be measured in statistics or in a graph chart are the personal and departmental relationships we've made within the community. Community policing initiatives has been an inherent part of our vision and mission. We added more programs and enhanced current programs to continue to build positive relationships for a stronger and safer Kent community.

In conclusion, I would like to congratulate all of our members for their hard work and dedication to the successes of 2019. This includes our sworn officers, civilian staff members and our numerous volunteers who we've come to embrace as part of our overall team.

Michelle Lee

Administration

The administrative division of the Kent Police Department consists of the Chief, the Assistant to the Police Chief, the Operations Captain, the Services Captain and the Administrative Lieutenant. The administrative team is responsible for external training approval and scheduling, the police budget of over \$7.6 million, policies and procedures, community policing programs, equipment purchase approval, personnel development and hiring, planning and researching initiatives, special projects, news media, social media, internship programs, and special events.

AMERICAN RED CROSS BLOOD DRIVE

The Kent Police Department once again partnered with the Kent Fire Department and the American Red Cross to hold three separate blood drives in our training/community room this year. All three drives were successful in blood donations from returning and new donors.

CITIZENS POLICE ACADEMY

The 9th Citizens Police Academy was held in the spring and consisted of a 12-week course involving an array of law enforcement topics. Students were instructed in patrol tactics, investigation techniques, police equipment and participated in a ride-along to name a few. 21 Kent area residents participated in the program meant to educate and garner community relations and debunk common misperceptions about police work. This program was well-received and is slated for a 10th class in 2020.

COFFEE WITH A COP

We partnered with Marquice Seward of Family and Community Services to host "Coffee with a Cop." Everyone in the community was welcomed to join in some casual conversation over a cup of coffee at the F&CS location on S. Water St. This event had no agenda other than to promote dialogue between Kent police officers and the citizens they serve.

FROM YOU!

LORD'S LUNCH

We partnered with retired police officer, Ron Craig, and the Trinity Lutheran Church to co-host "Lord's Lunch" at the church. Police members and volunteers prepared lunch for those in need of a free meal on a Saturday in April. We plan to continue this program for years to come.

INTERNSHIP PROGRAM

The Kent Police Department recognizes and provides learning opportunities for persons studying in criminal justice and related fields through an internship program. Internships provide a valuable opportunity for qualified students to participate in the day-to-day functioning of a justice-related agency. Interns will observe police functions in a regulated and productive manner. In 2019 our interns were Kent State University student Olivia Sheema who focused her attention within the juvenile diversion program. Aleksandra Clement who worked alongside the Detective Bureau's Evidence Officer and Vincent D'Haiti who concentrated his time within the patrol division

SOCIAL MEDIA

We have a growing presence on Facebook, breaking the 10,000 friends mark this year. Much of the credit goes to Clerk/Dispatcher Schneider who manages most of our social media sites. We are on Instagram in an attempt to keep pace and connect with our younger followers at kentpd_ohio and on Twitter @Kent Ohio Police.

GREEK FIRE & POLICE ACADEMY

Administrative Lt. Lewis assists the Fire Department with this event annually in an effort to educate Kent State fraternities and sororities about the services provided by Police and Fire. Additionally, the students have the chance to learn safety measures they can implement and also how to communicate appropriately and effectively with officers.

In-Service Training:

In-Service training was provided to all members of the department throughout the year. Much of this training was conducted through daily Roll Call training. Areas of Roll Call training include: review of department rules, policies, procedures; changes in state law and local ordinances; court rulings and decisions; community policing techniques; homeland security; officer survival; investigation techniques; firearm related issues; crime prevention concepts; and many other job-related subjects.

In 2019, Kent PD provided 40 hours of specialized training for every sworn police officer. These training sessions were presented by state certified staff and department members in subject matters related to their fields of expertise.

The 2019 in-service training included:

- Firearm training and certification for side arms, shotguns and patrol rifles.
- Response to Active Threat Training
- Use of Force, Case Law & Defensive Tactics
- Taser training and recertification
- Various Legal Updates
- Less-than-lethal weapon training, use of force decision-making and documentation.
- Breath alcohol testing certification
- CPR & First Aid

External Training:

External or outside training needs are met by sending personnel to specialized training academies, seminars, and workshops. These resources include both the private and public sector. Training needs are reviewed and determined for all components of the organization. The primary components are: administration, supervision/ management, investigations, records & dispatch, and patrol. The following courses represent specialized training members attended outside of the Department.

Training Summary

Training is an integral part of establishing high professional standards within all organizations. The Kent Police Department is committed to providing the highest level of training, within financial constraints, for all components of the organization. This commitment is accomplished by using internal (in-service) and external training resources to provide advanced training, career development opportunities, and specialized training related to new law enforcement technology.

<u>ADMINISTRATION</u>: Management Rights, Managing the FTO Unit, Public Records 101: What is a Public Record?, Public Records 102: Exceptions to Releasing a Public Record, Public Records 103: Investigative Records, Public Records 104: Retention Destruction and Redaction, OCJS Grant

PATROL: Basic Tactical Medical Instructor Training Program, Gracie Survival Tactics, The Reid Technique of Interview and Interrogation, Graduated Driver Licensing, Bulletproof Mind, Peer-to-Peer File Sharing, Honor Guard Clinic, Pepperball Instructor & Armorer, Field Training Officer, BAC Datamaster Recertification, Counter Ambush Tactics for Law Enforcement, Statement Analysis, OTOA Basic SWAT, Detectachem Mobile Detect 101 Train the Trainer, Fire Alarm Basics Extinguishers and Evacuation Procedures, Glock Armorer, Patrol Rifle Training, ARIDE, NAPCH 2019 K9 Workshop, Advanced Patrol Tactics, Emergency Restraint Chair, Vehicle Elements Theory, Basic Rappelling with Live Fire Drills, LEADS Recertification.

Detective Bureau

The members assigned to the Detective Bureau investigate felony and misdemeanor cases and will respond to calls to assist the patrol division. Most cases originate with the Patrol Division and are forwarded to the detective bureau for additional investigation. A Lieutenant and Sergeant command a team consisting of three general case investigators, one drug task force agent, one juvenile investigator, one evidence officer and a civilian juvenile counselor.

PORTAGE COUNTY DRUG TASK FORCE

In 2019, Kent PD detectives worked with and collaborated with multiple county, state and federal agencies. Most frequently they work closely with the Portage County Drug Task Force in which we have a detective dedicated to full-time. Kent, Ravenna, Streetsboro, PCSO and the Prosecutor's Office participate in the task force. The Task Force has been so successful that they do not require department funding and have been operating self-sufficiently for over 10 years. In April, Kent PD, Ravenna PD, Streetsboro PD, ATF, Ohio State Patrol worked alongside the task force in a

three day drug interdiction resulting in multiple arrests.

The PCDTF participates in a program titled ODMAP is an acronym

for Overdose Detection Mapping Application Program that uses a web service accessible through a smart phone or computer to allow first responders to report fatal and non-fatal overdose incidents. This information is transmitted to a secure map server and plotted on an electronic map. The map allows participating agencies to visualize overdose incidents in and around their jurisdictions. ODMAP filters this information and gives participating agencies the ability to identify overdose spikes and assists in identifying drug users, associates and peddlers.

PROPERTY/EVIDENCE ROOM

The purpose of the Property/Evidence room is to provide proper collection,

preservation, storage and disposition of evidence and other property. With our new building, we expanded from 500 square feet of space to over 3000 square feet. Evidence is maintained only as long as necessary for use in any pending investigation or prosecution, and non-evidentiary property is maintained only until it can be returned to its rightful owner or otherwise disposed of in accordance with the law. The Property Room is managed by a full-time detective who also devotes his time to

managing video evidence. A property managing system software, "The Beast," was purchased in 2017 to reduce error in managing evidence. In 2019, 2,151 items were logged into evidence.

INTELLIGENCE LIAISON OFFICER/HOMELAND SECURITY

Ohio Homeland Security has adopted the ILO Program that establishes a baseline intelligence capability throughout the State, utilizing existing law enforcement resources. The ILO serves as our county-wide point of contact for terrorism- related information and intelligence. The ILO serves as a liaison to all other law enforcement, Fire and EMS in providing information and guidance to local officials and acts as the Point of Contact (POC) for homeland security information. We have one officer dedicated to this program part-time. Our officer attended

quarterly meetings for training updates on the topics of The Heroin Epidemic, Human Trafficking, Violent Extremists Targeting Law Enforcement Officers, Terrorism and other emerging trends. Our officer has initiated several investigations related to suspicious activity in the City of Kent and addressed several "See Something Say Something" tips from the citizens of Kent. Our Officer continues to gather and disseminate intelligence to the State of Ohio fusion center. Our ILO also had the opportunity to assist other agencies with investigations that led to our city from other jurisdictions. Participating in the ILO Program provides grant and training opportunities for our department.

OTHER TASK FORCES / PROGRAMS

There are a variety of other efforts that our detectives are involved in to better serve the Kent community. One of our juvenile detectives participates with MDT (Multi-Disciplinary Team) which reviews child abuse cases in the county to assist the victims, hone court preparations and share information

on violators in the county. We also participate in SART (Sexual Assault Response Team) with Kent State University that reviews cases for victim advocacy.

JUVENILE DIVERSION PROGRAM

Under the direction of the Juvenile Counselor, the Diversion Program in 2019 processed 29 juveniles through the program. The program provides first time offenders with an alternative process from entering the county's juvenile justice system for a non-serious criminal offense.

The Juvenile Unit Diversion Program included the following activities in 2019:

- 214 Mediation/ Problem-Solving Contacts
- 33 Drug / Alcohol Interventions
 - 3 Parental / Family Consultation
- 4 Juvenile providing community service through the Diversion program. Community service averages 21 hours per juvenile.
- 28 Child / Adolescent Mental Health Interventions
- 184 Adult Mental Health Interventions
 - 2 Public Speaking Engagements

The Juvenile Counselor, Jeff Langstaff, has a wide array of certifications and trainings that encompass more than just a juvenile diversion program. His involvement extends to other programs such as Crisis Intervention Stress Management with KPD and Kent City Schools, Crisis Intervention Team training, a collaborative effort of the Mental Health and Recovery Board. He also works closely with Adult Protective Services and the Portage County Board of Developmental Disabilities staff. Also included is the

US Department of Veterans Affairs to provide additional awareness and contact points for veterans who are experiencing mental health, medical, housing and other veteran-specific issues.

ZetX CELLULAR TELEPHONE TRACKING SYSTEM

Our department utilizes cellular technology software system that tracks, maps and identifies cellular devices. This is extremely useful in ongoing investigations to identify calls made or track the whereabouts of suspect activity. This software program was used during the investigation of a trespasser on Fraternity Circle who had exposed himself and was taunting female students with his cell phone.

Patrol Division

The patrol division encompasses all three uniformed shifts and is commanded by the Operations Captain. Each shift is led by a Lieutenant and Sergeant with approximately 7 to 8 officers per shift. In addition to the three uniformed shifts, we also staff overlap shift positions to provide police coverage during shift changes. The uniformed patrol division officers are the first representatives of the City of Kent to respond to citizen requests for service, initial crime scene investigations, traffic enforcement, traffic accident

investigations, community policing initiatives and proactive criminal investigations.

The police department hired 1 new officer in 2019. Officer Ellis came with prior police experience and a military background. His hiring replaces Officer Romanoski who retired in August.

Our patrol division separates the city into "areas" of assignment

designated as North, South, East and West. An officer on each shift is assigned to these areas as their primary responsibility for the year. This designation is a community policing philosophy prompting officers to inherently learn and take responsibility of the specific dynamics of their area of assignment. This philosophy has been ingrained in our culture for over three decades.

K-9 PROGRAM

The K-9 program greatly enhances uniformed patrol in the detection and apprehension of criminal offenders, locating missing persons and children, and provides better safety for officers in physical confrontations and dangerous situations. We currently have two allocated K-9 positions within the patrol division. K-9 teams are dedicated full time to the program as the dogs are housed and cared for by the handlers 24 hours a day. In September, Officer Poe retired

his K-9 partner Iron due to medical issues. Iron had 7 years of service under his collar and now resides with Officer Poe while enjoying his golden years. The K-9 program has been a useful enforcement tool but is also popular within the community and supports many community policing programs. We currently have one vacant K-9 position.

NORTHERN OHIO VIOLENT FUGITIVE TASK FORCE (NOVFTF)

Under the direction of the U. S. Marshal's Office, this multijurisdictional agency, represented by federal, state and local law enforcement agencies, search for and apprehend dangerous felons and fugitives who are located in the jurisdictions of the participating agencies. Two officers are assigned part-time to this organization which has been instrumental in the apprehension of Kent area fugitives.

Collectively, our two dedicated officers worked over 350 operational hours with the Marshal's Task Force. Our officers were involved with searching for over 200 subjects resulting in making over 100 arrests, 4 of those were KPD warrants. In addition to the tactical operations, officers participated in over 20 hours of training.

METRO SWAT

This highly trained, professional multi-jurisdictional special weapons team responds to incidents within the jurisdictions of participating members that require special weapons and tactics to deal with riotous activity, large crowd control, barricaded suspects, executing drug warrants, arrest of dangerous felons, and the rescue of hostages or endangered persons. The organization is comprised of 19 Summit/ Portage County law enforcement agencies. The Kent community needed the assistance of

Metro SWAT on one occasion in 2019 during Kent's Halloween event. The Kent police have three highly skilled members that participated on the team.

TRAFFIC SAFETY CAMPAIGNS

Our patrol division is dedicated to traffic safety and reducing vehicular accidents. Annually we are involved in safety campaigns such as Click it or Ticket, Drive Sober or Get Pulled Over and None for Under 21. We have also partnered up with the Portage County Health District which funds "Safe Communities". This is a county collaborative

targeting traffic safety efforts through awareness and education.

SCHOOL RESOURCE OFFICER

We have partnered with the Kent City Schools since 2014 to provide a seasoned police officer to work in the High and Middle school on a

full-time basis during school hours. SRO Officer Butcher has been instrumental in providing security, instilling trust and guidance to faculty, administration and students.

BICYCLE PATROL

The bicycle patrol continues to be a tool used in community policing efforts and in crime prevention. There are currently 15 Officers trained in the utilization of the Police Bicycle and are encouraged to ride bicycles when staffing allows and are often an assigned position in community and special events.

COMMUNITY ENGAGEMENT

Sargent Gaydosh and Officer Smith engage with a local Boy Scout troop.

Eddie the Eagle Gun Safety with KSU Nursing Program-Franklin Crossings

Helmet Smart Programs, aka Ice Cream Tickets

Portage County Honor Guard Team

The Portage County Police Chiefs Association has come together to assemble this team of officers to represent law enforcement county-wide. The team had their first assignment in 2019 and Kent has three officers represented within the team.

Communications

The Kent Police Department Dispatch Center handles all radio traffic for both the Kent Police Department and the Kent Fire Department and all telephone traffic for the Kent Police Department twenty-four hours a day, seven days a week. The Dispatchers are responsible for inputting all calls for service into a computer aided dispatching system and are also responsible for paging out the Portage County Water Rescue, Urban Search and Rescue, HAZMAT,

and Fire Investigative Unit teams. All Dispatchers are certified in Emergency Medical Dispatch and are able to provide instructions over the phone during medical emergencies.

Staffing for the Dispatch Center in 2019 experienced some staffing changes. Staffing consisted of 11 full-time Dispatchers, one full-time Records Clerk and one full-time Dispatch Coordinator. We were fortunate to obtain approval to add two full-time dispatch

positions and eliminate all part-time positions. In 2019, the Dispatch Center handled over 377,454 phone calls, including non-emergency and Emergency 911 calls, and over 222,000 radio transmissions.

The Dispatch Record Clerk is usually the first person to greet visitors needing reports or assistance when they enter the Police Department lobby. Our Records Clerk is very knowledgeable about the City, Police operations and policies, and current records laws. She processes and inputs all information from arrests and officer written reports and processes all public records requests. She was responsible for completing and providing 1,285 records research and back ground checks in 2019.

TREE DECORATIONS AND MR. JINGLES

During the holidays C/D Schneider and Bower respectively spearhead tree decorations within our new building and Mr. Jingle's presence on our Facebook page. Kent elementary students were encouraged to make an ornament to decorate our two Christmas Trees within our lobbies which prompted an outpouring of decorations by elementary school kids. Mr. Jingles was also an ever-present figure and great community policing tool within our social media efforts.

DISCOVER DOWNTOWN

For several years, our dispatchers have taken on the opportunity to represent our department at the Annual Discover Downtown event. Dispatchers organize a raffle basket and table giveaways as well as informational items that lure new Kent State University students to our table. This is a great way to meet new students, educate them on police response and protocols as well as introduce them to their first responders.

Dispatcher Schneider, Officer Hilbruner and Kent PD Intern Vincent D'Haiti at an annual student welcoming event, "Discover Downtown."

FAMILY FRIENDLY HALLOWEEN

Our dispatchers take this opportunity for community outreach by organizing candy donations for dispatchers and officers to pass out to children at the downtown event as well as in the neighborhoods during trick-or-treat.

Officer Nelson and his helpers

SAFETY SCHOOL

The Dispatchers participate in the Kent Junior Mothers Safety School for incoming kindergarteners. Along with Police Officers and Firemen, Dispatcher Brown helped educate the children about stranger danger, fire safety, when to call 9-1-1 and what to tell the dispatcher if there is an emergency.

Dispatcher Brown and Officer Butcher

SCHOOL SUPPLIES DONATIONS

A School Supplies Drive was organized by C/D Schneider to benefit Family and Community Services. Pictured here are the donations dropped off in our lobby. These donations were later distributed to local students in need through Family & Community Services.

Support Services Division

Support services is divided into two separate functions both equally important to the operations of the Kent Police Department consisting of Compliance Officers and Detention Officers.

Compliance Officers - The department employs two full-time civilian positions who are responsible for both parking and animal compliance. The two officers are cross trained and share equal responsibility for the workload in any given day. While assigned to parking compliance, the officers will respond to any parking complaints and patrol neighborhoods for parking violations utilizing a marked police Jeep Wrangler. The majority of their shift is spent in the downtown area where metered parking is

prominent. Officers will enforce and ticket metered parking violations, monitor meters for maintenance issues and collect coin from the meters. The city has invested in an electronic ticketing system that can photograph the violation, issue paper citations and track the violations for collection. The ticketing system is part of the overall metered parking software program which is managed by Community Development.

Animal complaints are handled by Compliance Officers when they are on duty utilizing a marked police pick-up truck equipped with a truck bed kennel. Lost and found pets, dog bite complaints, dogs running-at-large, feral cats and abandoned pets are a few of the persistent issues the officers handle weekly. The City of Kent is fortunate to maintain our own kennel located at 1220 Mogadore Road. The kennel has three secure indoor/outdoor runs, heating, lighting, running water and

sanitary drainage. The kennel can accommodate up to 6 dogs at any given time. In 2019, 56 dogs were impounded, 42 were returned to their owner, 4 were adopted back into the community and only 5 were taken to the county dog pound. In 2019, \$515.00 was collected in kennel fees. Our animal compliance officers also respond to cat complaints. This year we impounded

60 felines. We transported 25 cats and 35 kittens, at a cost of \$40 per cat and \$20 per kitten, to the A.P.L. at an annual cost of \$1700. Our Compliance Officers manage an adoption process to keep animals from being euthanized. Using social media and many other pet-friendly agencies, they are very successful in adopting out most lost and abandoned dogs. To assist them in this endeavor they have the ability to "chip" dogs so they may always be able to find their way back home if lost.

Detention Officers – The Kent Police Department employs 6 part-time detention officers with over 50 years of combined service and experience. They are responsible for prisoner processing and to maintain and clean our 12 – Day jail facility which is how it is categorized under the State of Ohio's Bureau of Adult Detention. Our jail facility has its own entrance and lobby to serve the public's needs. It is also equipped with areas for visitation, attorney/client counseling, a chaplain's office, interview room, and a pantry for food preparation, laundry, medical room, temporary holding rooms, employee restroom, storage area and a B.A.C. (blood alcohol content) testing area. We operate a 12 Day jail facility consisting of 4 temporary holding cells that could hold up to 12 prisoners and permanent holding cells divided among two pods that could house 12 prisoners up to 12 days. The two pods, meant to separate females and males, offer showers, TV,

tables/chairs and telephone all of which are required by state of Ohio standards. Longer term holding has single, double and triple occupant beds complete with toilets and sinks. A booking area for paperwork processing is located centrally in a large open space where detention officers are equipped with jail controls of doors and audio/video surveillance.

Detention Officers often find themselves working with intoxicated,

Our detention officers are scheduled to man our jail during peak times and days which are Mondays through Fridays 6 pm to 8 am and 24 hours Saturdays and Sundays. Detention officers can also be called in when activity requires prisoner processing. In 2019, we processed over 1600 prisoners.

All new Detention Officers must receive 120 hours of correction training through the Ohio Police Officer Training Academy and pass a state certifying test. They are then trained through our own training program before working independently.

Accomplishments and Programs

Grant Funding

In 2019 we applied for and were granted funding to purchase body armor for new officers and for officers with expiring vests. The grant was offered through the Ohio Attorney General's office affording us \$2906.25 in restitution funding for purchasing 5 vests.

Ohio Town and Gown Summit

The 2019 Ohio Town & Gown Summit was held on July 18 & 19 in our very own city! The City of Kent and Kent State University (KSU) partnered to host sessions in the downtown KSU Hotel and Conference Center, the College of Architecture and Environmental Design building, and the Kent Police Station. The Summit brought together over 120 local government and university administrators to learn about best practices in town and gown relations. Topics of discussion included safety related enhancements to off-campus neighborhoods, utilizing university resources to create a smart city, working together to support local entrepreneurs, and many others.

Crisis Intervention Training

Congratulations goes out to Officer Poe who was named as a CIT Officer of the Year award recipient by the Mental Health and Recovery Board. He was recognized on October 30th at a Portage County Substance Abuse & Mental Health Conference. He is being recognized for using his CIT skills and contributions this year on numerous mental health calls.

KPCA

The KPCA is a non-profit organization whose mission is to enrich the Kent area community through police support. Numerous gifts and donations were given to various organizations and other fund raising events throughout the year to benefit the Kent community. Annually, a scholarship of \$1,000.00 is awarded to a deserving RHS graduating senior who is involved in their community. This year's award winner was Grace Thompson.

KPCA, in partnership with Walgreen's, conducted a prosperous "Fill-A-Cruiser" program to benefit local needy families. Multiple families and children were provided gifts and food. KPCA also sponsored "Bowl against

Abuse" through the Children's Advocacy Center.

Presentations, Discussions and Demonstrations

The department is active in seeking out opportunities to interact with many community groups on a variety of topics, below are a few examples:

- -Police Department Tours
- -Presentation to AIA Architecture Group along with DSA Architects
- -Multiple Journalism Classes from KSU
- -KSU Greek Affairs, Interfraternity Council and Panhellenic Council
- -Annual Greek Fire Academy
- -Hometown Bank
- -Kentway Apartments Safety Talk
- -International Town & Gown Conference at Penn State University
- -Co-hosts for the Ohio Town & Gown Conference
- -Neighborhood Watch
- -Kent State International Students: Laws and Driving Presentation
- -Multiple presentations at PMHA in area housing complexes
- -KSU Criminal Justice classes, Police Role
- -Police recruiting presentations at Kent State and The University of Akron
- -Safety talks at individual fraternities & sororities
- -Kent State Baseball Team safety talk
- -Dustman Deputies

- -KSU Fraternity & Sorority Presidents
- -Presentations at multiple KSU fraternity and sorority houses
- -A.L.I.C.E. presentations
- -Safety talks at multiple churches and various places of worship
- -Kent Interfaith Alliance
- -Annual Click It or Ticket Campaign Kickoff

Movember 2019 & the Susan K. Graves Memorial Fund 2019

Kent PD employees participated in Movember for the 8thth consecutive year, raising money and awareness for prostate cancer, testicular cancer and mental illness. Officers were permitted to grow facial hair for the entire month of November and December to raise money for the cause. A bake sale, raffle and other donation incentives allowed us to collect \$8.901.75 from these two initiatives.

www.OneCraftyNurse.com. 100% of the proceeds from any cancer related item ordered went to the SKG/KPD Men's Health Initiative fund to help local cancer patients in their fight against cancer.

Hope in a handbag

Members of KPD along with family members & the Kent Police and Citizens Association donated to Hope In A Handbag. Fifteen donated handbags were collected for this great event held at the KSU Hotel & Conference Center on Oct 19th. This is Safer Futures' only fundraising event that is held to benefit the one & only Domestic Violence Shelter in Portage County. Pictured, left to right are Chief Lee with Donya Buchanan & Vanessa Jackson from Safer Futures Lt. Lewis & Dispatcher Schneider.

Grill for Good

Members of the Kent Police Department once again participated in Grill for Good benefitting local charities. Pictured on the right is our very own Chef Kunka receiving our award in the category for Best Meat.

Pharmaceutical Drug Collection Box

This program was begun late 2012 in cooperation from a grant through the Portage County Solid Waste Management (who provided the box) and after application and permission from the DEA (Drug Enforcement Agency). The program is designed to

provide a collection box for the Kent community to easily dispose of unwanted or expired medication for safe disposal. A collection box is located at our parking lot for easy drop off. The program is managed by detective bureau personnel. In 2019, 547 pounds of pills were collected, along with other miscellaneous medications, anonymously to the collection box. That collection is the

most were have since the program inception with 187 pounds collected over the previous year.

Party Registration Program

2019 proved to be a successful year with our Party Registration Program. The program allows party hosts and attendees have the opportunity to receive a telephone warning from our dispatch center in the case of excessive noise or other nuisance activities. We had 55 registrants take advantage of this program from numerous addresses.

KENT POLICE - KENT STATE UNIVERSITY PARTNERSHIPS

The Kent Police and the Kent State University enjoy a cooperative working relationship which has proven to be mutually beneficial. Although this relationship has always existed, new initiatives and joint ventures are always investigated to improve the quality of service to the Kent and Kent State University communities.

Special Events - There are several special events that require KSU PD's assistance and cooperation to ensure a safe and tactically sound operation. The end of KSU's spring semester sparks many college age residential area events such as "Fake Patty's Day" and an overall increase in party activity. These unsanctioned parties are advertised and attended by college age participants that often result in riotous activities. A heavy police presence is needed to quell these events and which KSUPD and KSU Administrators are heavily relied on for assistance. Halloween has also proven to be a regular unsanctioned event, but one we have come to control in recent years through collaborative efforts. We have received continued support from KSUPD when planning and staffing our police response.

Other special events include sanctioned parades and road races that involve dual areas of responsibility and jurisdiction. Many of these events cater to the Kent State student population such as the *Homecoming Parade*, and the *Bowman Cup 5K Race*.

City of Kent and Kent State University Community Meetings - Police Administrators contribute to these Town & Gown meetings which are held monthly. These meetings involving KSU and Kent City administrators are meant to ensure cooperative working relationships and to maintain and improve town and gown relationships. In 2019, Kent PD Lt. Mike Lewis and Kent State Assistant Dean Todd Kamenash and KSU Officer Tricia Knoles

presented together at the International Town & Gown Conference at Penn State University, discussing the successes of joint efforts college partying, underage drinking and risk management.

C.A.D. and R.M.S. (Computer Aided Dispatch and Records Management System)

KPD and KSUPD collaborate in several ways in the areas of communications infrastructure, dispatch services and records management. For over thirty years, both departments have dispatched police services on a shared VHF radio frequency. In 2018 we transitioned to the MARC radio system. This is an 800mz interoperable platform shared with other county agencies and maintained by Portage County EMA. Kent PD also dispatches Kent FD for fire and EMS services on campus as well. Since 2006, Kent PD has also

shared KSU PD's computer-aided dispatch and records management platforms. This shared software platform allows officers from both departments instant access to the activity and databases of the other department via their dispatch centers, and desktop and vehicle mounted computers. The shared platform also allows either dispatch center to serve as a fully capable emergency backup

for the other, should one suffer a catastrophic failure or natural disaster. These two shared systems have promoted further collaborations which include KSUPD monitoring burglar and fire alarm systems.

Kent Police Department Dispatch is in its 4th year of Emergency Medical Dispatch. This EMD program is run through the Association of Public-Safety Communications Officials (APCO) and includes intensive and on-going training for all dispatchers. APCO's EMD certification means the Kent PD Dispatchers have achieved one of the highest levels of training in the profession. This comprehensive program helps augment the already high level of service provided to the Kent community and surrounding areas.

The EMD program, based on guide cards and software, is a systematic way to manage emergency medical service resources in an organized and effective manner and to provide medical assistance to callers, when needed, until medically trained field response units arrive at the scene. These guide cards include step by step instructions for CPR, obstructed airway and childbirth calls.

EMPLOYEE RECOGNITION

SUPERVISOR OF THE YEAR

Lieutenant Robert Treharn

OFFICER OF THE YEAR

Detective Karen Travis

CIVILIAN OF THE YEAR

Secretary Tanya Bzdil

ENFORCEMENT OFFICER OF THE YEAR

Officer James Fuller

OVI OFFICER OF THE YEAR

Sergeant Jared Bowen

FITNESS EXCELLENCE

Captain Nicholas Shearer Sergeant Ryan Gaydosh Sergeant Jared Bowen Officer Matthew Brooks Officer Lee Allen

FIREARMS TOP SHOT

Officer Drake Oldham

FIREARM EXCELLENCE
