

**MEMORANDUM**  
**DIVISION OF ENGINEERING**  
**City of Kent Department of Public Service**

November 15, 2012

**TO:** Kent City Council  
**FROM:** Rhonda Boyd Senior Engineer  
**RE:** Portage Bike and Hike Trail KSU Gateway Esplanade  
Additional Waterline Work

The Division of Engineering is requesting approval for \$125,000 of additional appropriation, from the water fund, to replace and upgrade an existing 6 inch waterline, from the south right of way of S.R.59 (at the Esplanade), across S.R. 59 paralleling Erie Street and terminating at Depeyster Street.

Portions of our downtown system have been replaced with new 12 inch line, as a part of the downtown development. Kent State University is replacing waterline with a 12 inch main from Willow to Haymaker; with the Esplanade project.

The existing 6 inch line from Erie Street across Haymaker Parkway is a bottleneck in the system; being connected by new 12 inch waterline on both sides. Installing a new 12 inch line will increase fire flow downtown by enabling water to be supplied from a stronger delivery path from the tanks on Summit Street. Once the bottleneck is eliminated, the only remaining section needing to be upsized for a direct connection to the tanks will be from Willow to Lincoln.

For the protection of the community, the City of Kent Fire Department desires the existing waterline on Erie Street be upsized from a 6 inch to a 12 inch. Replacing the line will result in a greater reliability and redundancy in the system.

The waterline improvements from Depeyster to Willow Street will cost approximately \$224,500. KSU has spent \$59,500 for the Esplanade section. PARTA has pledged \$40,000 toward the Erie Street segment. The City would need to contribute \$125,000 to complete the improvements to the system.

**cc:** Jim Bowling, P.E., City Engineer  
David Manthey, Fire Chief

# CITY OF KENT, OHIO

## DEPARTMENT OF LAW

**TO:** DAVE RULLER, CITY COUNCIL, MAYOR  
**FROM:** JAMES R. SILVER *[Signature]*  
**DATE:** OCTOBER 31, 2012  
**RE:** COLLEGE TOWN KENT, LLC RECOGNITION AGREEMENT

Pursuant to the City's original agreement with Fairmont (who went by the name of PF Downtown on the original lease with the City), for the redevelopment of the downtown block containing the buildings for Ametek, Inc. and the Davey Tree Expert Co., PF Downtown had to notify the City of any change in ownership, then the City needs to recognize and approve of the new ownership.

The attached "Recognition and Attornment Agreement" does just that. The document is a formal acceptance and recognition that PF Downtown is now College Town Kent, LLC and that College Town Kent, LLC is now the landlord for the Davey Tree Expert Co.

Staff is asking for City Council's approval of the Recognition and Attornment Agreement, attached, with the emergency clause. It is really a formality. I do not see a need for discussion on the item, but does need Council's approval for the item.

## RECOGNITION AND ATTORNMENT AGREEMENT

THIS RECOGNITION AND ATTORNMENT AGREEMENT (this "Agreement") is made as of the \_\_\_\_\_ day of \_\_\_\_\_, 2011, by and among **CITY OF KENT, OHIO**, a municipal corporation duly organized and existing under and by virtue of the constitution and laws of the State of Ohio ("Ground Lessor"), **COLLEGE TOWN KENT LLC**, an Ohio limited liability company ("Landlord"), and **THE DAVEY TREE EXPERT CO.**, an Ohio corporation ("Tenant").

### Preliminary Statements

The following statements are a material part of this Agreement.

A. Ground Lessor is the fee simple owner of certain real property located in Portage County, Ohio, as more particularly described in Exhibit "A" (the "Land") attached hereto and incorporated herein by reference.

B. Ground Lessor and Landlord entered into that certain Lease of Land for Private Redevelopment, dated September 6, 2011, a memorandum of which is of record with the Portage County, Ohio Recorder's Office at File Number 201115694 (the "Original Ground Lease"), as amended by that Amendment to Lease of Land for Private Redevelopment dated December 19, 2011, which is of record with the Portage County, Ohio Recorder's Office at File Number 201123422 (the "Ground Lease Amendment"), wherein Ground Lessor leased the Land to Landlord (the Original Ground Lease and the Ground Lease Amendment are collectively referred to herein as the "Ground Lease").

C. Landlord's predecessor in interest, PF Downtown Kent LLC, an Ohio limited liability company ("PF Downtown"), and Tenant entered into that certain Agreement of Lease dated April 15, 2011 (the "Lease"), a true, correct and complete copy of which is attached hereto as Exhibit "B", whereby PF Downtown leased to Tenant and Tenant leased from PF Downtown approximately 16,000 rentable square feet of space, within the three-story office building sometimes referred to as "Building A" or the "Water St. Building", and to be located near the intersection of S. Water Street and Haymaker Parkway in the City of Kent, Portage County, Ohio, together with all other improvements, described therein, all as more particularly depicted on Exhibit "C" (the "Premises") attached hereto and incorporated herein by reference. Any capitalized terms used herein, but not otherwise defined, shall have the meanings ascribed them in the Lease.

D. PF Downtown has assigned the Lease to Landlord and Landlord has assumed the obligations of PF Downtown under the Lease.

D. The parties hereto now desire to enter into this Agreement so as to clarify their rights, duties and obligations under the Ground Lease and the Lease and to further provide for various contingencies as hereinafter set forth.

### Agreement:

NOW, THEREFORE, in consideration of the foregoing, the mutual agreement of Ground Lessor, Landlord and Tenant to the terms and conditions of this Agreement and other good and valuable consideration, Ground Lessor, Landlord and Tenant agree as follows:

1. Ground Lessor hereby consents to the Lease and agrees that, for and during the term of the Lease and any extensions thereof as expressly provided in the Lease which are exercised in accordance with the terms, provisions, covenants and agreements of the Lease, provided Tenant is not in default beyond any applicable notice and cure period under the Lease, Ground Lessor shall not take any action to disturb Tenant's occupancy or possession of the Premises and/or any other rights and privileges granted to Tenant with respect to the Premises and the Land in accordance with and subject to the terms, provisions, covenants and agreements as set forth in the Lease. In addition to the proceeding provisions, Ground Lessor expressly agrees to permit insurance, eminent domain, condemnation, and similar proceeds and/or awards relating to the Premises and/or the Land to be used as required in accordance with the terms, provisions, covenants and agreements of the Lease. Except as otherwise set forth in this

Agreement to the contrary, Ground Lessor does not assume and shall not be liable for any of the duties or obligations of Landlord under the Lease.

2. In the event Landlord shall default in the payment of any sum or performance of any covenant or condition of the Ground Lease, which results in the termination of the Ground Lease or of Landlord's right of possession to the Premises or any portion of the Land, or in the event of any termination of the Ground Lease for any reason whatsoever prior to the expiration of the term of the Lease and any extensions thereof as provided in the Lease, or if Ground Lessor shall come into possession of all or any part of the Premises described in the Lease prior to the expiration of the term of the Lease and any extensions thereof as provided in the Lease, then Ground Lessor, Landlord and Tenant do hereby agree that (a) Tenant shall not be made a party to any proceeding relating to any default by Landlord under the Ground Lease or the termination of the Ground Lease or Landlord's right of possession to any portion of the Land under the Ground Lease, unless Tenant is reasonably deemed by the City to be a necessary party to any such proceeding or such joinder is otherwise required under applicable law, and (b) notwithstanding anything set forth in Paragraph 1 above, but subject to the attornment agreement provided herein, the Lease and, except as provided in Paragraph 3 below, all terms, provisions, covenants and agreements of the Lease, shall survive any such default in or termination of the Ground Lease, and the Lease and Tenant's rights of occupancy and possession of the Premises, and/or any other rights and privileges granted to Tenant with respect to the Premises and the Land in accordance with and subject to the terms, provisions, covenants and agreements of the Lease, shall not be disturbed and shall continue in full force and effect in accordance with and subject to all of the terms, provisions, agreements and covenants of the Lease which shall thereafter operate as a direct lease with Ground Lessor, as landlord, and Tenant, as tenant. Tenant agrees, in such event, to attorn to Ground Lessor and to recognize Ground Lessor as the landlord under the Lease. Such attornment shall be self-operative without the execution of any further instrument by any of the parties hereto. Subject to Paragraph 3 below and so long as Tenant is not in default under the Lease beyond any applicable notice and cure period, Ground Lessor shall recognize Tenant as tenant of the Premises for the balance of the term of the Lease, as the same may be extended subject to and in accordance with the terms, provisions, covenants and agreements of the Lease, and Ground Lessor shall, in such event, exercise and undertake all of the rights, obligations and duties of Landlord in and under said Lease (except as otherwise provided in Paragraph 3 below) and thereafter shall be entitled to collect all rents and payments due and payable under said Lease.

3. Notwithstanding anything contained in Paragraph 2 above to the contrary, Ground Lessor shall not be (a) liable in any way or to any extent to Tenant under the Lease for any act, omission, or breach by Landlord or any prior landlord under the Lease occurring prior to the termination of the Ground Lease or Ground Lessor's acquiring possession of the Land or the Premises, or which continues after the termination of the Ground Lease or Ground Lessor's acquiring possession of the Land or the Premises; or (b) liable in any way or to any extent to Tenant under the Lease for the return of any security deposit given by Tenant to Landlord except to the extent actually received by Ground Lessor; or (c) subject to any offsets or defenses which either Landlord or Tenant might have against the other existing or arising prior to the date of termination of the Ground Lease or Ground Lessor's acquiring possession of the Land or the Premises; or (d) bound by any amendment or modification of the Lease made without the prior written consent of Ground Lessor as to any amendment or modification of the Lease that materially increases Landlord's obligations under the Lease or materially decreases Tenant's obligations under the Lease; or (e) bound by any amendment or modification of the Lease other than as set forth in clause (d) above) that is made without prior written notice to Ground Lessor; or (f) liable to Tenant under any obligations of Landlord with respect to the construction of the Building, the Landlord's Initial Alterations, the Warranty, or expense reimbursements to Tenant, including, without limitation, those set forth in Section 2.2 of the Lease; or (g) liable to Tenant for Landlord's maintenance obligations described in Section 6.2 (ii) and (iii) of the Lease; or (h) liable to Tenant for Landlord's representations, warranties, indemnities and covenants contained in Section 8.2 of the Lease; or (i) liable to Tenant for Landlord's indemnification obligations contained in the Lease, including, without limitation, those contained in Section 10.3 of the Lease; or (j) liable to Tenant for Landlord's agreement to reimburse Tenant for rent at its existing facility; or (k) bound by any provision of the Lease requiring restoration of the Premises after damage or destruction or condemnation in excess of any insurance proceeds or condemnation award received by Ground Lessor for such restoration; or (l) liable to Tenant in excess of Ground Lessor's interest in the Land.

4. Subject to the terms and conditions of Paragraph 3 above, no provision contained in this Agreement shall be deemed an amendment or modification of any provisions contained in the Lease, including, without limiting the generality of the foregoing, any rights given thereunder to Tenant to terminate the Lease.

5. No amendment or modification of this Agreement shall be valid or binding unless in writing, executed by the party or parties to be bound thereby.

6. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their successors and permitted assigns under the Ground Lease or Lease, as applicable (including, without limitation, any lender having a lien on the fee interest in and to the Land and any person or entity acquiring title to the Land by foreclosure or otherwise). However, this Agreement shall not be binding on any party until the parties have executed and delivered this Agreement, either all on one document or in counterparts.

7. After a request from Ground Lessor, not more than once yearly, except in the event (i) the Ground Lessor reasonably believes that an event has or may have occurred which, with the passage of time or giving of notice may constitute a default under the Ground Lease or the Lease, or (ii) of any proposed financing or refinancing transaction of the Land, or any part thereof or improvements thereon, including, without limitation, the Building, or (iii) of any potential sale, transfer, assignment or other disposition of the Ground Lease or the Lease, Tenant and/or Landlord shall execute and deliver to Ground Lessor a statement, the form of which shall be reasonable acceptable to Tenant and/or Landlord, as applicable, certifying (a) that the Lease is in full force and effect, (b) that the Lease has not been amended, or if so amended, specifying the date of each amendment, (c) the date to which Fixed Rent has been paid, (d) stating whether or not Tenant or Landlord, as applicable, has delivered to the other party any notice that indicates that the non-certifying party is in default in performance of any of its obligations under the Lease, which notice remains outstanding (and, if so, specifying each such notice and default), and (e) stating whether or not Tenant or Landlord, as applicable, has received any notice that alleges that the certifying party is in default in performance of any of its obligations under the Lease, which notice remains outstanding (and, if so, specifying each such notice and alleged default).

8. This Agreement may be executed in one or more counterparts, each of which when exchanged shall be considered an original document.

9. Ground Lessor does hereby confirm to Tenant that, as of the date hereof, (a) Ground Lessor is the sole owner and holder of fee simple interest in the Land, subject to the Permitted Encumbrances and other matters set forth in the Ground Lease, (b) except for the Ground Lease Amendment, the Ground Lease has not been amended and is valid and in full force and effect, (c) the term of the Ground Lease has heretofore commenced, and (d) there are no defaults by either Ground Lessor or Landlord under the Ground Lease.

10. Landlord does hereby confirm to Ground Lessor and Tenant that, as of the date hereof, (a) Landlord has not assigned or pledged the Ground Lease to any person other than a Permitted Leasehold Mortgagee (as defined in the Ground Lease), (b) except for the Ground Lease Amendment, the Ground Lease has not been amended and is valid and in full force and effect, (c) the term of the Ground Lease has heretofore commenced, (d) to the knowledge of Ground Lessor, there are no defaults by Ground Lessor or Landlord under the Ground Lease, and (e) Landlord has the full right and authority to execute, deliver and perform its obligations under this Agreement.

11. Landlord and Tenant confirm to Ground Lessor that the copy of the Lease which is attached hereto as Exhibit "B" is a true and complete copy thereof and that the same has not been modified or amended.

12. Tenant does hereby confirm to Ground Lessor and Landlord that, as of the date hereof, Tenant has (a) not assigned or pledged any interest in the Lease, and (b) the full right and authority to execute, deliver and perform its obligations under the Lease and this Agreement.

13. The term "Ground Lessor" shall mean only the owner at the time in question of the present Ground Lessor's interest in the Land and in the event of a sale or transfer of the Land, the transferor shall be and is hereby automatically and entirely released and discharged of all liability arising from and after the date of

such transfer, but not before, in respect of the performance of any of the terms of this Agreement on the part of the Ground Lessor to be performed.

14. Notwithstanding anything set forth in Section 29.12 of the Lease to the contrary, the confidentiality provisions described in Section 29.12 are subject to the public records laws applicable to the Ground Lessor.

**TO:** KENT CITY BOARD OF ZONING APPEALS  
**FROM:** HEATHER PHILE, DEVELOPMENT PLANNER  
**RE:** STAFF REPORT FOR THE NOVEMBER 19, 2012 BOARD OF ZONING APPEALS MEETING

---

The following case appears on the agenda for the November 19, 2012 Board of Zoning Appeals meeting:

### NEW BUSINESS

CASE NO.: BZ12-025

APPLICANT: KLABEN

SITE LOCATION: 1035 West Main Street

STATUS OF APPLICANT: The applicant is the owner of the property.

REQUESTED ACTION: The applicant is requesting the following:

- 1) A variance from Section 1165.05(c)(2)(A) to allow a total of 3 signs on site (one building and two free-standing directional signs),
- 2) A 20.5-foot variance from the 25-foot minimum setback to allow a relocated free-standing directional sign to be 4.5 feet from the right-of-way (Section 1165.07(d)(6)), and
- 3) A 23.1-foot variance from the 25-foot minimum setback to allow a new free-standing directional sign to be 1.9 feet from the right-of-way (Section 1165.07(d)(6)).

ZONING: This property is currently located in the IC-R: Intensive Commercial – Residential Zone District.

TRAFFIC: The property is accessible from West Main Street.

SURROUNDING LAND USES: The property is surrounded by other commercial uses on the east, west, and south sides and by open space on the north side.

APPLICABLE CODE SECTIONS: 1165.05(c)(2)(A) and 1165.07(d)(6)

**Page 2**  
**Board of Zoning Appeals Staff Report**  
**November 19, 2012 meeting**

**ANALYSIS:**

This property is located at 1035 West Main Street and is currently zoned IC-R: Intensive Commercial – Residential. This property was formerly home to Huntington Bank. The applicant is proposing to have the used car sales on this property, with the existing building to be used as the office.

The applicant is proposing to move an existing directional sign that reads 'Service' on to this property to give more room at the entrance to the neighboring Klaben property. The applicant also proposes to raise this sign a foot for better clearance when vehicles are exiting this property. After the sign is moved, it will be 4.5 feet from the front property line. The previous placement of the sign met the zoning code regulations at the time of placement. The applicant is also proposing to install a new directional sign on the site that will read 'Used Cars'. This new sign will be approximately 1.9 feet from the front property line. The applicant proposes these locations because the signs will line up and will be in line with where the relocated sign was previously placed. The applicant also proposes to have a sign on the building. The total square footage for all of the signs will meet the zoning code for signage at this location.

The right-of-way on West Main Street varies along these parcels. The right-of-way line for this property sits approximately 5.5 feet north of the parcel directly to the west. The relocated sign will be approximately 15 feet from the curb line and the new sign will be approximately 13 feet from the curb line of West Main Street.

The zoning code for signage was changed in April of 2011. The old code gave specifications for directional signs and their size, height, and setbacks. The new code does not have specific regulations for directional signs, and therefore these signs will be treated as regular free-standing signage. The new code states that free-standing signs have a setback of 25 feet from the right-of-way line. The code also states that a property can have one sign per right-of-way that it abuts, but not to exceed two signs. The total square footage for all signage on the site cannot exceed 100 square feet. The two free-standing directional signs total 45 square feet and the proposed building sign will be approximately 49 square feet, totaling 94 square feet in all.

| <u>ANALYSIS:</u>   |  |
| <b><u>PROJECT DESCRIPTION:</u></b>   |  |
| The owner of the building at 201 East Erie Street, PARTA, is constructing a multimodal facility. The applicant is requesting approval of a comprehensive sign package since the number and size of the signs exceed that allowed by the zoning code. |  |

The comprehensive sign plan purpose and standards are listed below.

Purpose - A Comprehensive Sign Plan is intended to integrate the design of the signs proposed for a development project with the design of the structures, into a unified architectural statement. A Comprehensive Sign Plan provides a means for defining common sign regulations for multi-tenant projects, to encourage maximum incentive and latitude in the design and display of multiple signs and to achieve, not circumvent, the intent of this Chapter.

Standards - A Comprehensive Sign Plan shall comply with the following standards:

- (1) The Planning Commission may allow signage which otherwise exceeds the number, type, size and placement as otherwise permitted in this Chapter when it determines that such additional signage is warranted due to the size, nature, number of tenants or other features of the site as they may exist.
- (2) The signs shall enhance the overall development, be in harmony with, and relate visually to other signs included in the comprehensive sign plan, to the structures and/or developments they identify, and to surrounding development;
- (3) The Plan shall accommodate future revisions that may be required because of changes in use or tenants; and
- (4) That the Plan is consistent with the Design Guidelines that may be applicable to a designated area as may be identified in Chapter 1121 of the Kent City Zoning Code. In areas of the City not governed by the Design Guidelines identified in Chapter 1121, the Plan, to the degree feasible, shall comply with the recommended Sign Design Guidelines set forth in Appendix B of the Zoning Code.

**ARCHITECTURAL ADVISORY BOARD:**

Architectural Advisory Board had several comments that have all been addressed in this submittal. A Certificate of Appropriateness was issued on October 16, 2012.

**VARIANCES:**

Should the Planning Commission approve the comprehensive sign plan, variances from the Board of Zoning Appeals would not be required.

**RECOMMENDATION:**

Staff is recommending approval with the conditions listed below.

The Planning Commission may approve, approve with conditions, or disapprove the application. Should Planning Commission wish to approve this project, the following language may be used:

I move that in Case PC12-027 Planning Commission approve the Comprehensive Sign Plan for the PARTA's multimodal facility at 201 East Erie Street subject to the following conditions:

1. Obtain a zoning permit within two years of Planning Commission approval.
2. Obtain a sign permit and submit the performance guarantee prior to installation of the signs.

List of Enclosures for this Project:

1. Plans received November 1, 2012.
2. Aerial Topo and Zoning Map.

| <u>CASE NO:</u>                  | <b>PC12-026</b>  |
| <u>APPLICANT:</u>                | <b>CITY OF KENT</b>  |
| <u>SITE LOCATION:</u>            | 303 East Main Street   |
| <u>REQUESTED ACTION:</u>         | The proposed Zoning Code Text Amendment is being forwarded to the Commission for review and comment. |
| <u>APPLICABLE CODE SECTIONS:</u> | Chapter 1113 of the Kent Codified Ordinances.  |

ANALYSIS:

*PROJECT DESCRIPTION:*

Per the Planning Commission's request, an addition to Chapter 1113 of the Kent Codified Ordinance is being proposed to add a requirement for photographs or other digital representations of the site.

RECOMMENDATION:

The Planning Commission may forward a favorable recommendation to Kent City Council that the code language be amended to add the proposed overlay language. The following language may be used:

I move that in Case PC12-026, that the Planning Commission recommends to Council to amend zoning code Chapter 1113 – SITE PLAN REVIEW to add photographs or other digital representations as a submittal requirement.

List of Enclosures for this Project:

1. The proposed code language addition for Chapter 1113.
