Celebrate! PORTAGE!

Dear Community Leader:

Celebrate Portage! 2014 was a huge success, and we have already begun planning for the 2015 Celebrate Portage! Our goal is to continue the vision of showcasing that which makes Portage County vibrant and exciting.

The events and activities planned throughout every community within Portage County will collectively focus on our unique qualities and opportunities. A volunteer group is working tirelessly to ensure a comprehensive and successful celebration for this coming year.

Through collaboration and highlighting the great things occurring throughout our county, we can further strengthen our communities.

The ultimate success will require financial support from companies and organizations such as yours. We would like to ask for your consideration of using these venues to promote your business by becoming a sponsor of Celebrate Portage! 2015. Please find attached a list of events and activities and a sponsorship sheet with more information.

We appreciate you and your organization/business for helping to make Portage County a special place to live, work and play and hope you will consider supporting and contributing to the Celebrate Portage!

If you have any questions, please do not hesitate to contact me.

Sincerely,

Todd Peetz

Celebrate! PORTAGE!

Celebrate Portage! is a result of the Visioning in Portage concept to educate and keep alive the vision for a vibrant and exciting County.

1) Cruise-in Portage County Wednesday, September 2nd

City of Ravenna will be hosting the event from 5-9 pm. We are working with local sponsors in the auto industry to put on a Cruise-in event show on East State Route 59 in front of Giant Eagle. We look to have a variety of car enthusiasts there as we had over 700 vehicles last year. It should be an exciting evening of family fun.

2) Community Volunteer Day Tuesday, September 8th

The times and places to be determined, as each community will select a community project(s) or social service project(s). We have teamed up with United Way to help coordinate the event. We will be looking for sponsors to donate materials and asking local businesses to allow their workers to participate half day or full day projects.

3) Community Movie Night/Ice Cream Social Thursday, September 10th

Events will be held at various community locations throughout the County. The movie will be of each community's choice and time and participating communities is still to be determined.

4) The Celebrate Portage! Dinner Friday, September 11th

To be held at the NEOMED, in Rootstown. The time to be announced

Award categories* include:

**Best Economic Development Project; Most Engaging High School;
Best Community Service Project; Biggest Community Hero (police, fire, teacher,
citizen); Best Health Initiative; Best Art/Cultural Event**

There will be entertainment and a fun and vibrant atmosphere.

5) The Kent State Football First Home Game Saturday, September 12th

The game will be at Dix Stadium with the time to be determined. After the game, AMETEK will again sponsor a video of the Celebration Dinner, Community Volunteer Day, Community Movie Night/Ice Cream Social, and the Cruise-in Portage County Car Show. The video will be shown prior to the fireworks show which will represent the grand finale of the week.

CITY OF KENT
DEPARTMENT OF PUBLIC SERVICE

MEMO

June 14, 2015

To: Dave Ruller, City Manager
Linda Jordan, Clerk of Council

From: Gene Roberts, Service Director

RE: Position Allocation Ordinance Modification for Central Maintenance Division

The following request is in keeping with the previously approved Kent City Council Motion as discussed during the Finance Committee on November 5, 2014 and approved at the Regular Council Meeting on November 19, 2014. Council approved changing the staffing within the Central Maintenance Division by decreasing Service Workers and replacing with an increased number Laborers.

Further staff changes will be requested in additional phases resulting in the total decrease in the number of Service Workers through attrition to six with the offsetting increase to eight Laborers at completion. Total increase in staffing from the start of this process will be plus two workers.

This current requested modification will require changing the current 2015 Position Allocation Ordinance (2015-53) with the following recommended language changes.

Current Language

Service Department

Central Maintenance Division

9 Service Worker	C	Schedule A 1
4 Laborer	C	Schedule A 1

Proposed Language

Service Department

Central Maintenance Division

8 Service Worker	C	Schedule A 1
5 Laborer	C	Schedule A 1

In discussing this issue with Linda Jordan she is of the belief that this issue does not need to return to Kent City Council Committee but the required Position Allocation Ordinance change can be included at the next regular meeting of Council as a previously authorized ordinance amendment. With approval of the City Manager I respectfully request the amendment of the Position Allocation Ordinance at the July 15, 2015 Regular Kent City Council Meeting.

Cc: Jim Silver, Law Director
David Coffee, Budget & Finance Director
Liz Zorc, Human Resources Manager
John Osborne, Utilities Manager
Gerald Shanley, Facilities Manager
James Bowling, P.E., Deputy Service Director Superintendent of Engineering
