

Unauthorized Items

1. Authorization to Submit a NOPEC Energy Conservation Grant Application (Draft #2018-122)

Council is asked to authorize the staff to submit an application for NOPEC grant funding for an Energy Conservation Grant with a December 1, 2018 filing deadline. In order to secure the funding and encumber the available grant funds for City project use in 2019, the grant funding application has to be submitted by December 1, 2018. The staff have identified a number of projects that would be eligible for NOPEC funding but the application does not require us to commit to a specific project in order to apply – so we are seeking Council's approval to secure \$72,140 that has been committed to Kent with the intent to finalize a grant project and proceed with the grant in 2019. (attachment)

Administration Recommendation

Authorize the staff to submit the grant funding application for a potential energy conservation project to be defined and approved by Council in 2019.

Council Action

Authorization to submit an application for NOPEC grant funding for an Energy Conservation grant up to \$72,140.

Information Items

1. Monthly Permit and Zoning Reports

Bridget Susel has enclosed copies of the monthly zoning and permit violations report for July 2018. Permit revenues were \$24,630.34 for July with the most permits being issued for HVAC Residential (26 permits). There were 13 code enforcement items in July. (attachment)
