Place of Employment	Kent city Schools
Political Party	<i>Field not completed.</i>
Are you a registered voter?	Yes
Which boards, commissions and committees are you applying for:	Park & Recreation Board
Please provide	Some college from Kent State University. Have worked for Kent

educational and professional background to assist Council in review of your application.

City Schools.
Have coached youth soccer in Kent.
Served as PTO president for three years.
I am very active doing kayaking, running and hiking.

Why are you interested in this appointment?

I would like the opportunity to bring more activities to more of the residents to the city of Kent. I have to travel to other cities to enjoy crafts and activities. Many residents aren't aware of what's available (other than kids sports) for our COMMUNITY.

Which boards, commissions and committees are you applying for:

Board of Health, Park & Recreation Board, Sustainability Commission

Please provide educational and professional background to assist Council in review of your application.

Please listed below my educational background:
PhD, Behavioral and Community Health Sciences, Graduate School of Public Health, University of Pittsburgh (2017)
MPH, Behavioral and Community Health Sciences, Graduate School of Public Health, University of Pittsburgh (2017)
MPH, Behavioral and Community Health Sciences, Graduate School of Public Health, University of Pittsburgh (2013)
B.S., BPhil, Psychology and Anthropology, School of Arts and Sciences, University of Pittsburgh (2011)

Professional Background:

I'm a public health researcher by training, but currently work as a social science researcher in International Development. I support globally-focused projects in low and middle income countries that focus on positive youth development and gender-based violence prevention and that use locally-led, sustainable, and do-no-harm approaches. I have 15 years of research and project management experience in the U.S. and abroad related to gender and development. My primary areas of expertise include gender equity, women's empowerment, reproductive health, and gender-based violence. Prior to joining my current organization, I worked with the United Nations Development Programme on their Gender Equality in Public Administration (GEPA) initiative and served as a Commissioner on the City of Pittsburgh's Gender Equity Commission under the Office of the Mayor. In terms of my specific job duties, I am responsible for guiding qualitative and quantitative research activities and program design, implementation, analysis, evaluation, and dissemination that integrates strengths-based approaches.

Why are you interested in this appointment?

I just moved to Kent in late September and my husband is a tenure track faculty member at Kent State and we are planning to make Kent our forever home. I am personally and professionally invested in and passionate about improving my community for my fellow community members and my family. I would like to offer my skillsets to contribute to meaningful change in my community by helping to bring my innovative ideas from my professional appointments and experiences. In particular, I want to help support strategic thinking and action to support protection of our natural environment, creation of programs for the betterment of Kent residents, and apply my experience of addressing global problems on a local level.

PROFESSIONAL APPOINTMENTS

Senior Specialist, Research, Evaluation, and Learning, Making Cents International **2019-Present**

- I am the Research, Evaluation, and Learning Specialist and support project management tasks including drafting, updating, and managing project scope of work, budget and timeline monitoring, consultant contracting, and holding key milestones activities with USAID staff and implementing partners for youth development-focused projects. I support various quantitative and qualitative

research, evaluation, and direct implementation projects related to youth development. I contribute to study design, implementation, analysis, and reporting; including systematic reviews of existing literature, research, and policies. Additionally, I conduct small-scale quantitative analyses of surveys and pre/post measurement tools as well as qualitative research analyses for in-depth interviews, focus groups, and case study observations with relevant program staff, stakeholders, and beneficiaries for ongoing projects. I support project implementation and management, contribute to project design, and lead capacity building efforts where appropriate. I have served as a Program Officer for YouthPower Learning's USAID/Africa Bureau Effectuation Theory study, USAID's Office of HIV/AIDS' K4Health Toolkit and Multi-Month Dispensing Study, USAID/Mauritania's Mauritania Cross-Sectoral Youth Assessment, YouthPower2: Learning and Evaluation's USAID/Madagascar Cross-Sectoral Youth Assessment, YouthPower2: Learning and Evaluation's Women's Global Development and Prosperity Initiative (W-GDP)- Determined, Resilient, Empowered, AIDS-Free, Mentored, and Safe (DREAMS) Collaboration, and YouthPower2: Learning and Evaluation's Global Health Cross-Bureau Systematic Literature Activity. I also oversaw the Youth Civic Engagement Country Snapshots Survey and Dashboard activity. I have also provided research support on the following activities: YouthPower Learning USAID/Kenya Cross-Sectoral Youth Assessment, YouthPower2: Learning and Evaluation's Morocco Cross-Sectoral Youth Assessment, YouthPower2: Learning and Evaluation's Eastern and Southern Caribbean Cross-Sectoral Youth Assessment, YouthPower2: Learning and Evaluation's USAID/RFS Youth in Agri-food Systems Learning Initiative, YouthPower2: Learning and Evaluation's Ghana Youth Assessment, YouthPower2: Learning and Evaluation's Nicaragua Youth Assessment, YouthPower2: Learning and Evaluation's Mental Health and Psychosocial Support Toolkit, and YouthPower2: Learning and Evaluation's Youth and Gender Analysis Toolkit: Tools for Economic Growth Activities. On YP2LE, I also co-lead all monitoring, evaluation, and learning activities on the project. Separate from YP2LE activities, I serve as a Senior Researcher and Monitoring and Evaluation Advisor on USAID's Collective Action to Reduce Gender-based Violence (CARE-GBV) project, where I oversee monitoring, evaluation, and learning activities for the project, including for our small grants program. For the UNITY project, I oversee our positive youth development research activities and provide monitoring, evaluation, and learning support. Additionally, I support knowledge management and application practices regarding women-centered, gender-responsive, and community-based participatory research as well as gender and socially inclusive development.

- Completed training in trauma-informed approaches to evaluation (Reshaping Our Role As Evaluators with Trauma-Informed Practices; Martha Brown; American Evaluation Association; November 2022)
- Completed course in Psychological First Aid (Psychological First Aid; George S. Everly; Johns Hopkins University Bloomberg School for Public Health; Center for Public Health Preparedness; May 2023)

Pennsylvania Department of Health

- I serve as a Board Member for the Pennsylvania Violent Death Reporting System (PA-VDRS) Advisory Board. This system is maintained by the Pennsylvania Department of Health and is part of the National Violent Death Reporting System (NVDRS), created and maintained by the CDC. As a Board Member, I provide input on the logistics of the PA-VDRS system and datasharing protocols with interested researchers in addition to attending quarterly meetings to discuss next steps for improving the system.

Editor, Central Asian Journal of Global Health

2018-2019

- I serve as an editor for the *Central Asian Journal for Global Health* where I review manuscript submissions that focus on women's health, violence against women, substance use, gender equity, qualitative research methods, and social and behavioral sciences and provide feedback to our Editorial board and manuscript authors.

Commissioner, Executive Committee Secretary; RFP Working Group Chair; Gender Analysis Committee Chair; Education and Outreach Committee; Advocacy Committee; Finance Committee

2017-2019

Gender Equity Commission

City of Pittsburgh Office of the Mayor

- I was appointed to the City of Pittsburgh Office of the Mayor and Bureau of Neighborhood Empowerment's Gender Equity Commission, where we focus on highlighting inequities and making recommendations for women and girls in Pittsburgh using an intersectional lens. For this position, I have facilitated and lead the grant solicitation and review process for a City-Wide Gender Analysis as well as served on our executive, advocacy, and education and outreach committees.

Lecturer, Department of Behavioral and Community Health Sciences

2017-2019

University of Pittsburgh

- I am an instructor for the core course Introduction to Community Health for the departmental MPH, DrPH, and PhD programs.

Postdoctoral Research Associate, Department of OB/GYN & Reproductive Sciences

2017-2019

University of Pittsburgh; Advisor: Elizabeth Krans, MD, MSc

- I work on qualitative and quantitative research design as well as data collection, analysis, and results dissemination for various studies focused on pregnant and postpartum regarding their substance use

behaviors, history of intimate partner violence, and sexual and reproductive health outcomes. In addition to facilitating and managing research studies, I work on scholarly publication of our results and grant-writing to support future research for our team.

Gender Equality in Public Administration Consultant

2016

United Nations Development Programme

- I continued working as a Consultant on the UNDP GEPA initiative from a prior position (see above) at the UNDP Headquarters in New York City. For this position, I identified research linkages between women's leadership in public institutions and UNDP Youth Participation agenda for the GEPA Initiative. I also assessed data availability and data quality on women's representation in public administration for forty UN member countries for an global online repository, developed concept notes on women's leadership in public institutions and the role of young women in public life and the private sector for promotion of the Sustainable Development Goal 16 agenda, created advocacy materials, including infographics, on measuring, increasing and promoting women's representation in public administration, public-private partnerships and linkages to age restrictions and the private sector and researched the relationship between development in conflict, post-conflict and fragility states and social, health, political and economic determinants of social and health outcomes.

Predoctoral Researcher, Department of Behavioral and Community Health Sciences

2015-2017

University of Pittsburgh; Advisor: Martha Terry, PhD

- I designed and facilitated a study for my doctoral dissertation which involved facilitating in-depth interviews and surveys on social support, acculturation and domestic violence among thirty Hindu Asian Indian immigrant women. I successfully defended my comprehensive and overview exam as well as my dissertation, which compiled the results of this study.

Gender Equality in Public Administration Working Group

2015- 2017

United Nations Development Programme/Ford Institute for Human Security

- I collaborated with students and faculty on the United Nations Development Programme's Gender Equality in Public Administration (GEPA) initiative to develop a global database for measuring women's participation in public administration and civil service and their representation in decision-making and leadership roles. We researched gender equality policies and civil service capacities for OECD member countries and UN member countries, analyzed the quality of publicly available data on representation in public administration for UN member countries by age, gender, education level, grade, government level and minority status, assessed the availability of sex-disaggregated data on employees in public administration for OECD member countries and presented our research findings to United Nations Development Programme representatives at the University of Pittsburgh Graduate

School of Public and International Affairs and the United Nations Secretariat in New York City.

Foreign Language Area Studies (FLAS) Fellow (Hindi)

2016-2017

U.S. Department of Education

- I was awarded a Fellowship through the U.S. Department of Education through their Foreign Language Area Studies Program for the academic years of 2015-2016 and 2016-2017 to take linguistics and area studies classes to support my dissertation research on domestic violence on Asian Indian immigrant women. I was able to receive training in gender analysis and medical anthropology as well as the Hindi language to supplement my dissertation research.

Foreign Language Area Studies (FLAS) Fellow (Hindi)

2015-2016

U.S. Department of Education

- I was awarded a Fellowship through the U.S. Department of Education through their Foreign Language Area Studies Program for the academic years of 2015-2016 and 2016-2017 to take linguistics and area studies classes to support my dissertation research on domestic violence on Asian Indian immigrant women. I was able to receive training in gender analysis and medical anthropology as well as the Hindi language to supplement my dissertation research.

Graduate Assistant, Center for Global Health

2015- 2016

University of Pittsburgh

- I worked with Center for Global Health staff and global health faculty to facilitate activities to support various programs, courses, and initiatives including: interdisciplinary health science sessions with visiting high school students; creation of a faculty guidebook for mentorship of MPH students interested in global health coursework; benchmarking for national global public health degree and certificates programs and Peace Corps Coverdell Programs; syllabus revision and grading of assignments for global health courses; revision and advising for global health certificate program; maintenance of global health certificate program course requirements; compiled and monitoring of center expenses for yearly budget; and development of itineraries and scheduling of interdisciplinary sessions for visiting global health scholars.

Graduate Teaching Assistant, Department of Behavioral and Community Health Sciences **2013-2015**

University of Pittsburgh

- I worked as teaching assistant for several departmental core and electives courses for the MPH, DrPH, and PhD programs including Social and Behavioral Sciences in Public Health (2014-2015), Eco-Evolutionary Models of Health Behavior (2014), and Theories of Health Behavior and Health Education (2013-2014) for which I helped with course design, activities, and grading.

Graduate Student Researcher, Department of Behavioral and Community Health Sciences **2013 – 2014**
University of Pittsburgh

- I lead and collaborated on activities for various research projects in the Department of Behavioral and Community Health Sciences including: analyzing and presenting data on health promotion opportunities and behaviors for modeling maternal and child health outcomes; facilitating telephone screening interviews for depression-focused research study and assessment of interviewee eligibility criteria; development of guiding framework, course listing, and proposal for school-wide certificate in Maternal and Child Health; compilation of learning outcome assessments for Behavioral and Community Health Sciences departmental core courses; assessment of current course offerings for Behavioral and Community Health Sciences departmental core courses to identify areas of overlap and contrast in class concepts, activities and facilitators; and facilitating reaccreditation process for Center for Health Equity's Certificate program modification by consolidating certificate competencies and objectives.

Maternal and Child Health Preparedness Intern **2012- 2013**

Allegheny County Health Department

- I collaborated with the Allegheny County Health Department staff on a project focused on identifying barriers to maternal and child health emergency preparedness in Allegheny County. I helped to identify local stakeholders for maternal and child health preparedness roundtable discussions, drafted roundtable question scripts for discussions with healthcare and education professionals on emergency preparedness plans, and assisted in implementation of discussions with recruited participants on barriers to optimal health outcomes in emergency situations for at risk populations.

Graduate Researcher, Department of Epidemiology **2012 –2013**

University of Pittsburgh

- I lead an independent analysis for the Longitudinal Indian Family Health (LIFE) Study regarding household, environmental, and social demographic data in conjunction with participant lab samples. I also conducted a literature review of indices of socioeconomic status (SES) measurement and residential density in developing countries and analyzed relationships among SES, household crowding, home environment and adverse health outcomes such as diarrhea, infection, malnutrition, anemia and hypertension.

Global Health Intern, Office of Research **2013**

SHARE India

- I created and implemented a research project at SHARE India where completed the following research

activities: designed surveys to measure proximity to healthcare and sanitation resources in forty villages of Medchal Mandal; partnered with SHARE INDIA staff in administration of surveys with Community Health Volunteers; consolidated survey data into SPSS database to analyze differences in accessibility and availability between and within villages, and organized visitation of villages without Community Health Volunteers to meet with local community members to gather baseline development data.

Research Assistant, Division of Applied Research and Evaluation

2012 – 2013

Office of Child Development

- I completed an internship with the Office of Child Development's Division of Applied Research and Evaluation to assist with research activities on for various projects including: collaboration with staff on writing of grant proposals to procure funding for developmental screening training modules with Family Support Staff; identification of community partners for support in dissemination of screening materials and electronic media training resources for parents and providers; assessment of demographics of Pittsburgh Latino population to identify gaps in current healthcare infrastructure and plan culturally appropriate social services; creation of focus group and interview guides for Latino Family Support Center and family clientele; exploration of funding opportunities of Southwestern PA and assessed compatibility of existing financial resources; and modification of official website and incorporation of relevant materials on screening process and family concerns.

Graduate Student Intern, Office of Research

2012

SHARE India

- I created and implemented a research project at SHARE India on infant mortality and access to healthcare and sanitation resource as well as performance of health promotion behaviors. For this study, I completed the following research activities: designed protocol for the facilitation and implementation of focus groups on women's perception of home health practices and health promotion behaviors; reviewed current scholarly literature on maternal and infant mortality and social determinants of health in target population; assisted in the moderation of focus groups with target population in local villages; collected and analyzed quantitative survey data on socioeconomic status and demographics; transcribed qualitative focus group data for conclusive interpretation of behavioral patterns; conducted participant observation in field on cultural, social and economic standards affecting personal health, hygiene and financial status; and consolidated research results for Master's Thesis project.

LEND Leadership Trainee, LEND Center

2011 – 2013

University of Pittsburgh

- I was selected for leadership training at the Leadership Education in Neurodevelopmental Disabilities and Related Disorders (LEND) Center, as funded through the Maternal and Child Health Bureau Block Grant where I completed the following activities: managed caseload with interdisciplinary team and coordinated clinic visits highlighting family-centered care; promoted community outreach through visits to local sites specializing in behavioral and developmental needs; assessed leadership skills in weekly leadership seminars and didactic research with collaborating faculty; communicated and interacted with past exemplary case families through Families as Mentors Program; and represented LEND at quarterly Children's Hospital Family Forum seminars.

Research Assistant, Center for Research on Health Care
University of Pittsburgh Medical Center

2011

- I assisted in managing several federally funded research studies at the Center for Research on Healthcare where I completed the following research activities: evaluated qualitative and quantitative datasets on DoD and AHRQ grant research studies; created a system for supervisor and participant reports and resources for virtual coaches for study on the efficacy of online counseling to enable lifestyle-focused obesity treatment in primary care; facilitated correspondence and adherence measures for relevant stakeholders; and analyzed and evaluated current study protocol logs for cost-effectiveness.

Undergraduate Researcher, Department of Anthropology
University of Pittsburgh/John Cabot University

2010

- I completed an independent research project for my Bachelor's of Philosophy in Anthropology degree through the University Honors College where I completed the following research activities: initiated in-depth interviews with women's organizations on perceptions of the portrayal of Italian women in media and changing gender roles in society; completed literature review on the progression of the women's rights movement in Italy; and successfully defended Honors Thesis on portrayal and objectification of Italian women in media and reproductive health rights.

Research and Finance Assistant, Child Development Unit
Children's Hospital of Pittsburgh

2009 – 2011

- I completed research and finance-related tasks for several research studies at the Child Development Unit of Children's Hospital of Pittsburgh including: consolidation of quantitative datasets and measures for research study on implementing problem-solving skills training with the mothers of children recently diagnosed with Autism; prioritization of dissemination of financial incentives with study participants; attendance of reflection sessions discussing progress with study participants and effectiveness of study protocol; completion of training on academic and research integrity and HIPAA

procedures; facilitation of research on psychological impact of chronic illness on children's peer networks through the Pittsburgh Friendship Study; introductory discussions with district teachers and principals about research implementation in school settings; moderation of electronic survey dissemination and collection of data in local schools; and arrangement and direction of explanatory meetings with school personnel on study protocol.

PUBLIC SERVICE AND LEADERSHIP

2019 Intimate Partner Violence Advocate (training in trauma-informed and victim-centered care)
 Women's Center and Shelter of Greater Pittsburgh

- 2018-2019** Central Asian Journal of Global Health Editor
- 2017-2019** City of Pittsburgh Gender Equity Commissioner; Executive Committee Secretary; RFP Working Group Chair; Gender Analysis Committee Chair; Advocacy Committee; Education and Outreach Committee
- 2015-2017** University of Pittsburgh Honors College Humanities, Arts and Social Sciences Research Mentor
- 2015-2016** Pitt Public Health Doctoral Student Organization Executive Board
- 2014-2016** Department of Behavioral and Community Health Sciences Doctoral Committee Representative
- 2014** Pitt Public Health Alumni Magazine Content Review Committee
- 2013-2015** Pitt Public Health Global Health Student Association President
- 2013-2014** Pitt Public Health Alumni Relations Committee
- 2013-2014** Pitt Public Health Association of Women in Public Health Vice President
- 2012-2013** Pitt Public Health Association of Women in Public Health Publicity Representative
- 2012-2013** Pitt Public Health Educational Policy and Curriculum Committee Master's Representative

MENTORSHIP

- Nov 2018-April 2022 Research supervisor, Ayanna Garland (University of Pittsburgh, School of Medicine). *Intimate partner homicide among pregnant black women: A high risk population*. Supervised during longitudinal research project for MD program.
- February 2020-April 2021 Research supervisor, Tatiana Pomerantz (University of Pittsburgh, Graduate School of Public Health). *The Role of Relationship Status in Intimate Partner Homicide: A Descriptive Analysis*. Supervised Master's in Public Health Practicum and Essay Development.
- Nov 2018-April 2019 MPH essay committee member, Hanna Edvardsson (University of Pittsburgh Graduate School of Public Health, Department of Epidemiology). *Sexually transmitted disease rates among sexual minority US women aged 15 to 44 years using the National Survey for Family Growth*. Served as MPH essay reviewer on scholarly manuscript for MPH program.
- Sept 2018 – April 2020 Research supervisor, Rosa De Ferrari (University of Pittsburgh Graduate School of Public Health, Department of Behavioral and Community Health Sciences; Graduate School of Public and International Affairs). Supervised during graduate volunteer research experience on project: *Cooccurring Intimate Partner Violence and Substance Use: Understanding Barriers to Collocated Integrated Services*.

- Sept 2018 – April 2020 Research supervisor, Chinmayi Venkatram (University of Pittsburgh, School of Arts and Sciences). *Intimate partner violence among international student populations*. Funded by University of Pittsburgh Chancellors Undergraduate Research Fellowship (\$800) and University of Pittsburgh School of Arts and Sciences Curiosity Grant (\$200). Supervised during Independent Study as an Undergraduate Researcher.
- Sept 2018 – April 2020 Research supervisor, Maria Wallace. (University of Pittsburgh, School of Arts and Sciences). Supervised during volunteer research experience as an Undergraduate Researcher on project: *Cooccurring Intimate Partner Violence and Substance Use: Understanding Barriers to Collocated Integrated Services*.
- June 2018-December 2020 Public health practicum preceptor, Hannah Bitzer (University of Pittsburgh Graduate School of Public Health, Department of Behavioral and Community Health Sciences). Supervised during public health practicum for MPH on project: *Increasing awareness and understanding of the relationship between intimate partner violence and traumatic brain injury*. Served on MPH Thesis Committee for defense of the thesis *An Examination of Providers' Awareness, Knowledge of Screening and Treatment, and Perceived Barriers Associated with Intimate Partner Violence-Related Traumatic Brain Injury*
- June 2018 – Oct 2018 Public health practicum preceptor, Kayla Dyson (University of Pittsburgh Graduate School of Public Health, Department of Behavioral and Community Health Sciences). *Provider perceptions and experiences regarding opioid use disorder treatment among pregnant and postpartum women*. Supervised during public health practicum for MPH.
- Jan 2018 – April 2018 Research co-supervisor, Grace DuBois (University of Pittsburgh, School of Arts and Sciences). *Care engagement and treatment adherence patterns among pregnant women who present to the emergency department with opioid use disorder*. Supervised during the University of Pittsburgh First Experiences in Research Program as an Undergraduate Researcher.
- Jan 2018 – April 2018 Research co-supervisor, Evelyn Okorie (University of Pittsburgh, School of Arts and Sciences). *Care engagement and treatment adherence patterns among pregnant women who present to the emergency department with opioid use disorder*. Supervised during the University of Pittsburgh First Experiences in Research Program as an Undergraduate Researcher.
- Sept 2017 – April 2019 Research supervisor, Abhignya Mallepalli (University of Pittsburgh, School of Arts and Sciences). *Violence, narratives, and the power of*

childbearing. Supervised during Independent Study project as an Undergraduate Researcher.

June 2017 – July 2017

Research co-supervisor, Monica Arias-Garcia (Universidad Central del Caribe, School of Medicine). *Predictors of breastfeeding among women with opioid use disorder*. Supervised during the Children's Hospital of UPMC Summer Research Internship Program.

HONORS

- 2018** Dean's Service Award, Graduate School of Public Health, University of Pittsburgh
- 2013** Delta Omega Honorary Society in Public Health, Omicron Chapter, Graduate School of Public Health, University of Pittsburgh
- 2009** Gamma Kappa Alpha National Italian Honor Society, University of Pittsburgh Chapter

FINAL UPDATE ON 2024 TOTAL ECLIPSE

MULTI-AGENCY TEAM

CHIEF SHEARER

CHIEF SAMELS

MELANIE BAKER

JOAN SEIDEL

COUNCIL COMMITTEE, APRIL 3, 2024

5 DAYS AWAY!

SAFETY STRATEGIES

Portage Emergency Operations Center opens 4/5/23

Kent Multi-agency Command (MAC) opened 9/23/23,
will be meeting in person 4/8/24

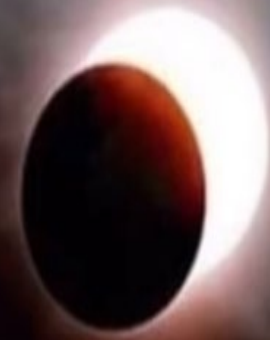

KACC/MSK will open operations post on 4/8/24

KACC providing Info tent for information, minor first
aide, quick access to higher level care, & reunification
center

Call Center housed at KCHD to divert non-emergent
eclipse related calls from dispatchers

Umbraphile

(n.) someone who loves eclipses.

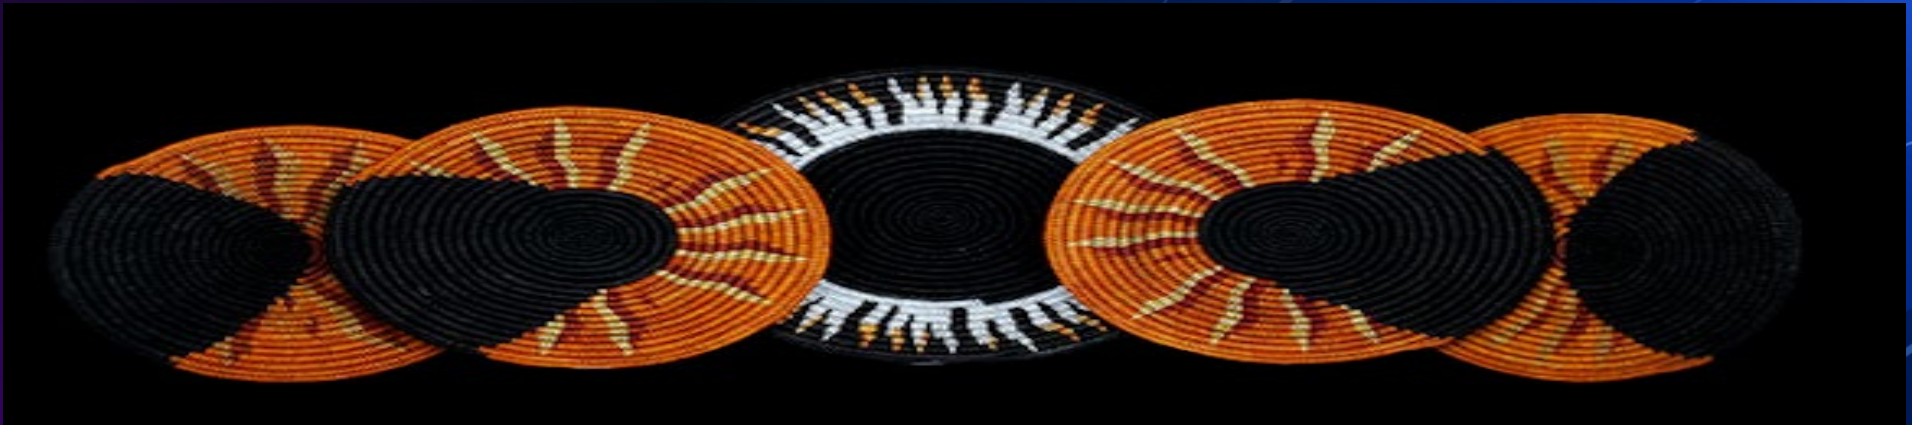

MESSAGING

- KACC/MSK website and social media posts
 - Events and Activities
 - Safety : viewing & minors should have caregivers contact info
 - Map – Parking, link to PARTA schedule
- Kent City Website links to KACC, KSU, PCEMA
- Tree City Bulletin articles
- KCHD, KPD, FFD, and City sharing messages on social media

OUTSTANDING CONCERNS

- How many will actually attend
- Weather
- Mass casualty event
- Traffic post event
- Communication breakdowns
- Food shortage/sanitation issues
- Pop-up campgrounds – no licensed facilities inside the city
- Patience

If, after the event people say, “It was no big deal, you did too much.” We will know we did just enough.

Thank you for your support!

CITY OF KENT, OHIO

DEPARTMENT OF COMMUNITY DEVELOPMENT

DATE: March 21, 2024
TO: Dave Ruller, City Manager
FROM: Julie Morris, Sustainability Coordinator
RE: Summary of Climate Action Plan Work – Presentation for Council

I am respectfully requesting time at the April 3rd Council Committee Meeting to share a summary presentation of the City's Climate Action Plan, what has been prioritized for 2024, and where we're headed with this work.

This is an information-only item and attached, please find a PDF copy of the intended presentation.

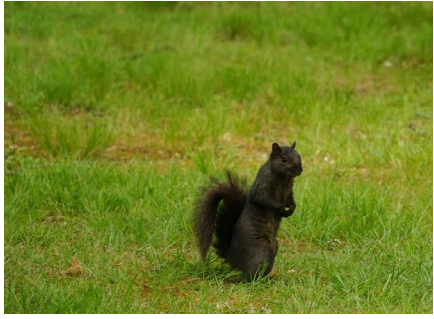

If you need any additional information, please let me know.

Thank you.

Updated
Greenhouse
Gas Inventory

The Climate Action Plan (CAP) provides 15 suggested strategies to help us meet goals within these focus areas, which are being explored and implemented as applicable, as part of a 5-year plan.

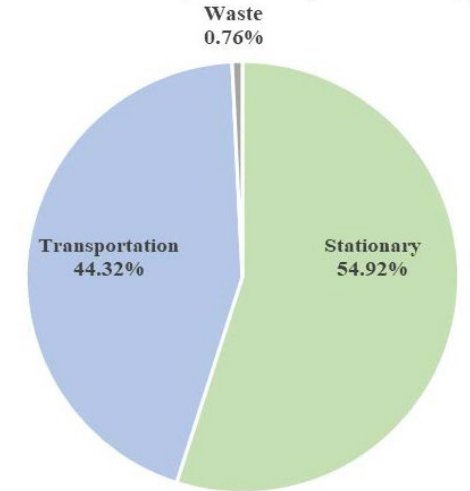

SUMMARY: City of Kent, OH Greenhouse Gas Inventory Update Results - Data Year 2022

NAME OF CITY:	Kent, USA	POPULATION:	28,203
BOUNDARY:	BASIC	LAND AREA (km2):	24
INVENTORY YEAR:	2022	GDP (US\$ million):	5,846

tCO2e	BASIC	Scope 1	Scope 2	Scope 3
	Stationary	122,360	120,123	
	Transportation	195,493	177	
	Waste	3,154		213
	IPPU			
	AFOLU			
	Other Scope 3			
	TOTAL	441,521 MTCO2e		

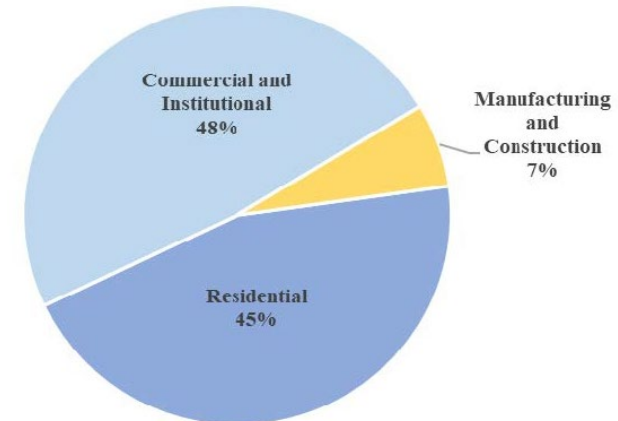

Emissions by Sector (MT CO2e)

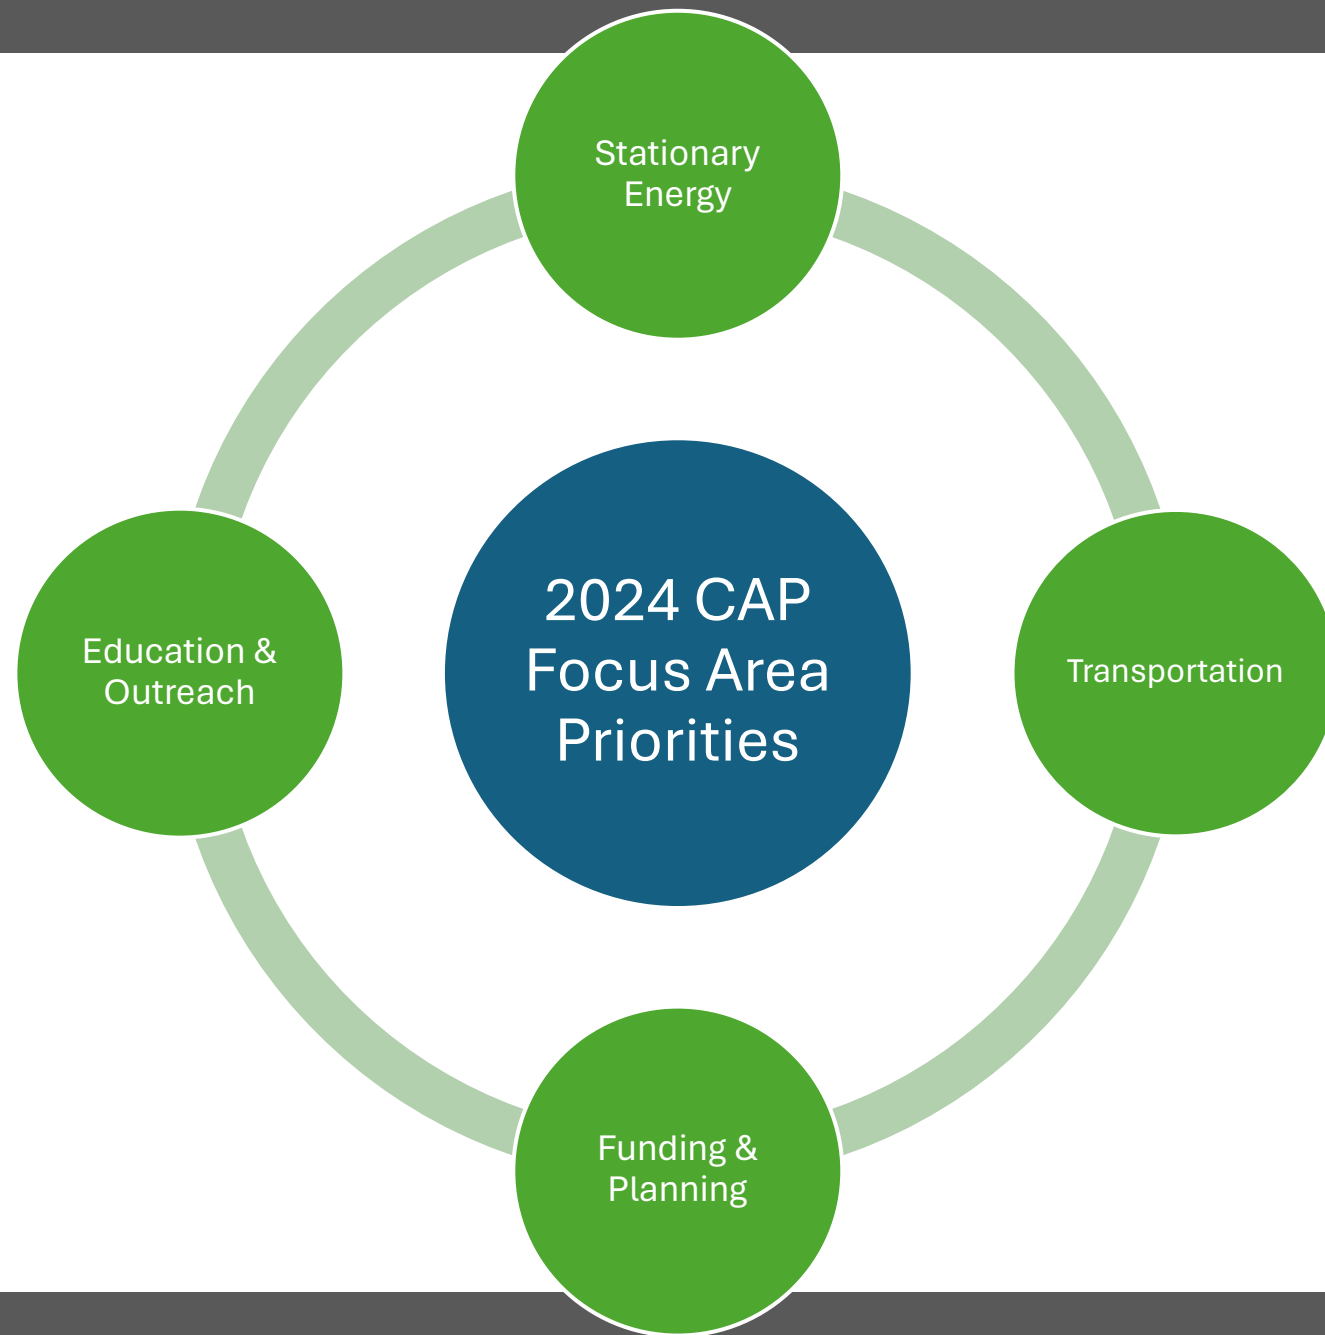

Intensity indicators	Per capita	Per unit land area (km2)	Per unit GDP (US\$m)
Emissions	15.7	18,336	76

Stationary Emissions (MT CO2e)

KERAMIDA, INC. collaborated with the City of Kent to produce a BASIC greenhouse gas (GHG) inventory for the calendar year 2022 using the City Inventory Reporting and Information System (CIRIS) tool. CIRIS has been designed to support cities in reporting city-wide GHG emissions according to the requirements of the Global Protocol for Community-scale Greenhouse Gas Emission Inventories (GPC).

CAP Focus Area

Stationary Energy

Prioritized Initiatives

Municipal Energy Management Plan (MEMP) p.11 of CAP

Expand Solar Energy p.15 of CAP

Status

Partnership with NOPEC/World Kinect to develop MEMP & contextualize CAP work

In process of conducting carbon audit for City Buildings

Recent purchase of electric ground sweeper

Solar on City Buildings Assessment
Development of Community Solar Program

CAP Focus Area: Transportation

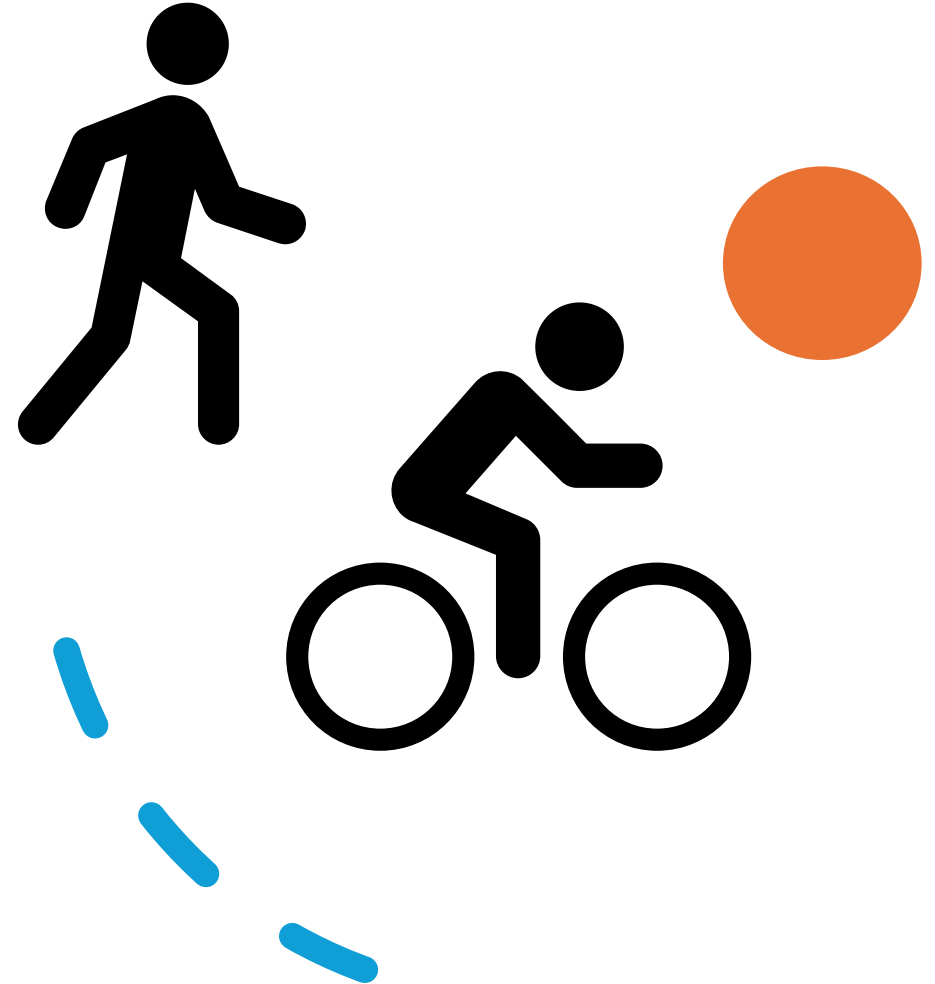

Electric Vehicle Infrastructure (p.18-19 of CAP)

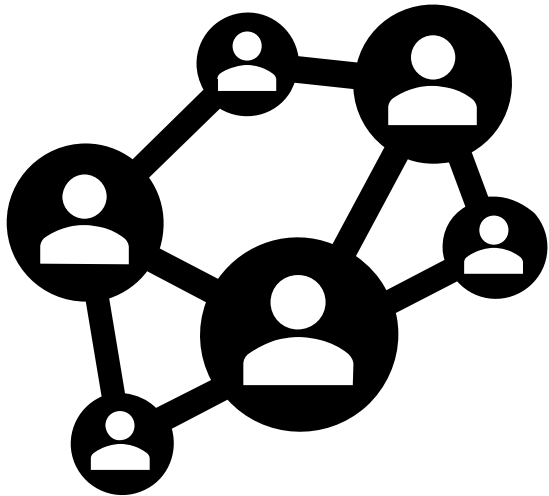

- We are exploring Kent's current and future EV landscape
- 32 Dual Port Level 2 EV Charging Stations planned as part of E. Main St. renovation project
- 2 Dual Port Level 2 EV Charging Stations planned for the new City Hall

Bike and Walk Infrastructure (p.20 of CAP)

- Complete the rehabilitation of E. Main Street
- Finalize agreement with Akron for Lake Rockwell Trail
- Complete the connection between the Portage Hike and Bike Trail
- Rehabilitate the Stow Street pedestrian bridge
- Add bike lanes to Hudson Road leading into Kent
- Improve the safety of State Route 43 at the gateway coming into Kent
- New effort: SR 59 Active Transportation Improvements

CAP Focus Area: Education and Outreach

Visit our website:

www.kentohio.org/781/Sustainability-Overview

Developing
and
Ongoing

Upcoming

Funding and Planning Highlights

In-Kind Services:

NOPEC/World Kinect to provide funding roadmap -
Their services are valued at over \$40k
Participation in ICLEI capacity building cohort for NEO region

Grants/External Funding:

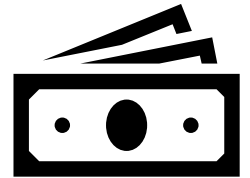

OAQDA/OH EPA IRA Greenhouse Gas Reduction Fund
competitions
Solar For All
National Clean Investment Fund
Multitude of Grants have been obtained and are being utilized for
Transportation focus area initiatives

Internal Funding:

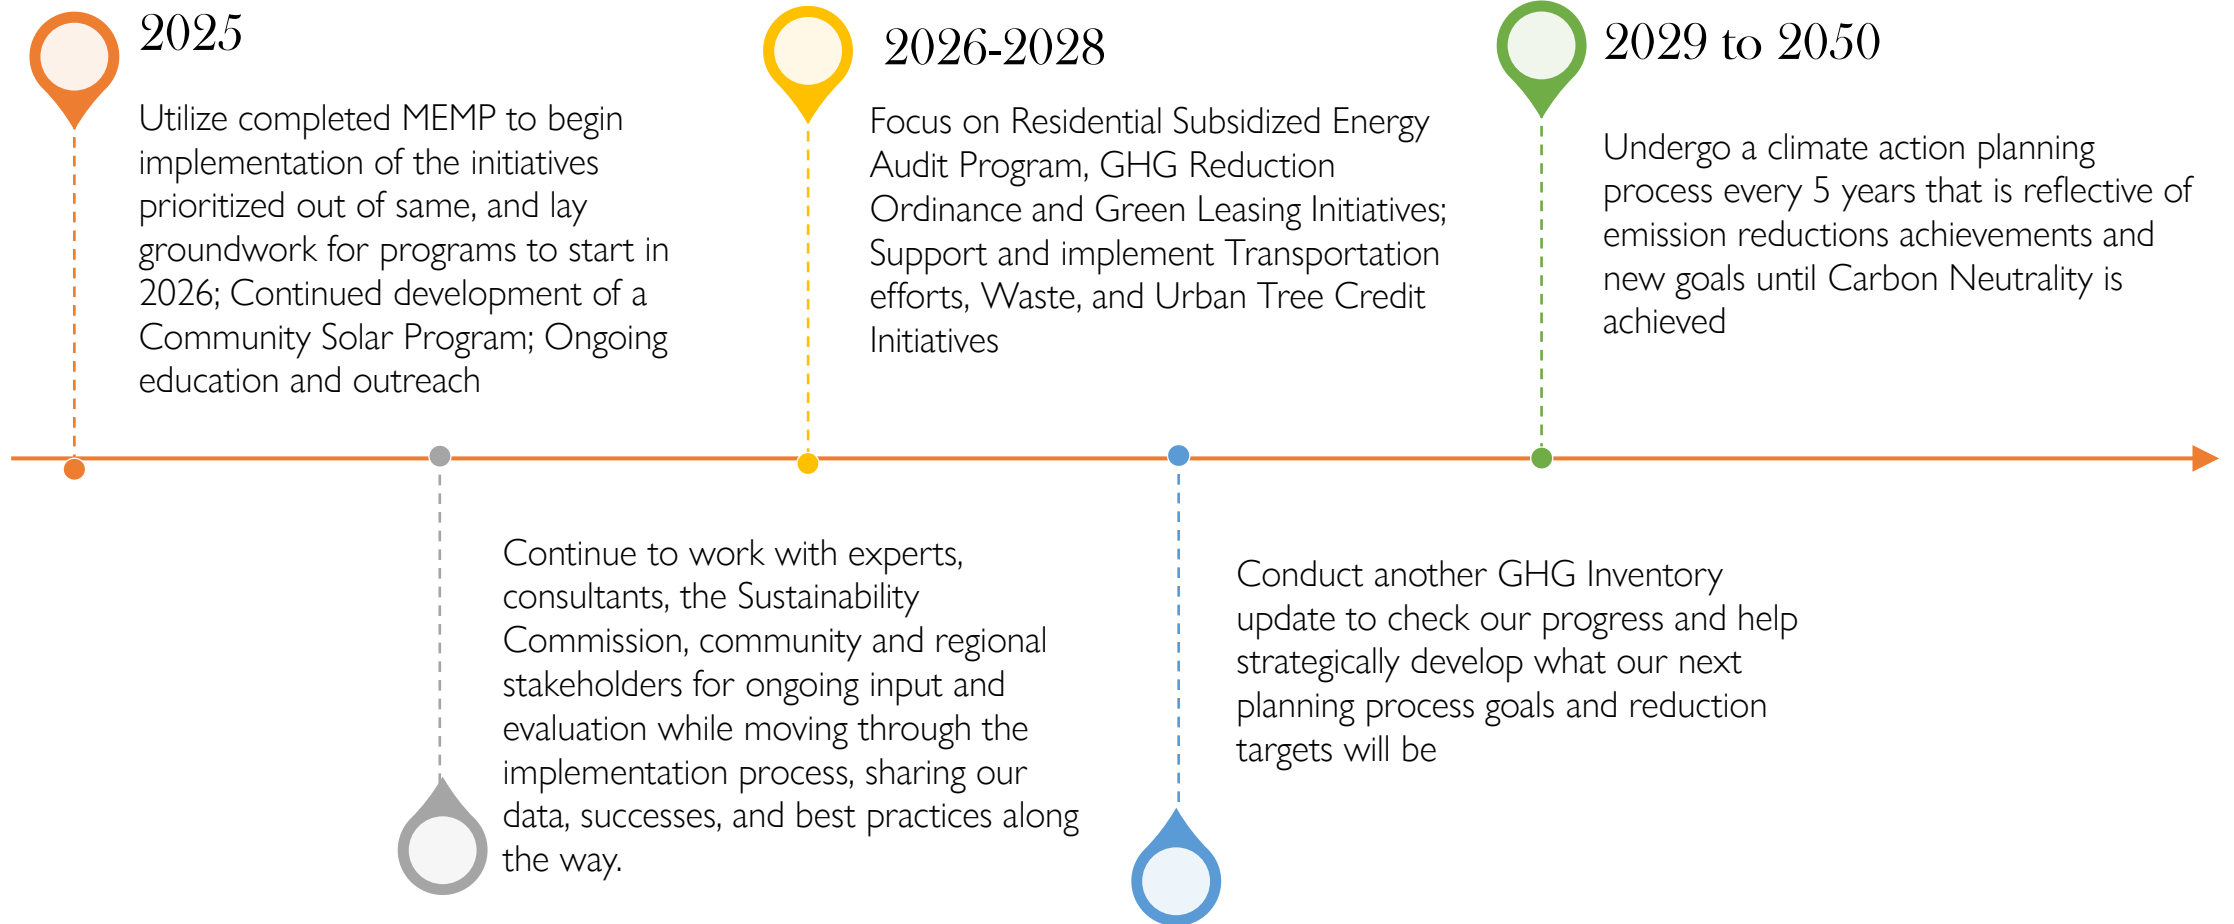

Budget appropriations were utilized to complete the GHG
Inventory Update and fund the Sustainability Coordinator Position
Will continue to assess budget appropriations as needed for
implementation work
We will work to explore an internal revolving loan funding capacity

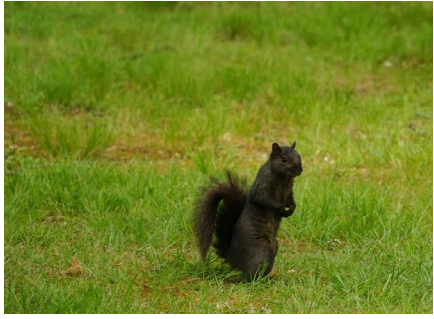

Planning Efforts:

Institutional frameworks for this work are being developed:
Various databases
GHG Inventories and associated metrics development
Workplans for the CAP initiatives

Where We're Headed: 2025 and beyond

Thank You!

Julie Morris,
Sustainability Coordinator

From: Angela Manley, Director
Date: March 8, 2024
Re: Request to Waive Competitive Bidding

Please find an attached list of items in need of approval for donation to the Kent Youth Football and Cheer organization. These items consist of sports equipment and uniforms needed to continue operating the program within the Kent community through a separate non-profit organization. Seeing as this program serves as many as 160 members of the Kent youth community, and that much of the equipment and uniforms are branded to Kent specifically, the Kent Parks and Recreation Board has voted unanimously to donate the attached items to the Kent Youth Football and Cheer organization.

I respectfully request your approval to move forward with the donation of these items to Kent Youth Football and Cheer organization and waive the competitive bidding requirement so that the program may continue without interruption.

CITY OF KENT, OHIO

DEPARTMENT OF ECONOMIC DEVELOPMENT

DATE: March 25, 2024
TO: Dave Ruller, City Manager
FROM: Eric Helmstedter, Economic Development Director
RE: 2024 *Celebrate Kent!* Grant Program

The Request for Proposals (RFP) for the 2024 *Celebrate Kent!* Grant Program was issued on January 25, 2024, and the City received a total of thirteen (13) proposals from seven (7) different organizations. The total amount of funding requested was \$24,133.93, which exceeds the \$15,000.00 that had been appropriated for the 2024 *Celebrate Kent!* Grant Program. Staff was able to allocate funding to at least one proposal submission from each applicant organization. Additionally, two (2) of the proposals did not meet the grant program eligibility requirements, and therefore did not receive funding.

Attached is a summary table of the various funding requests, along with the final funding award amount for each eligible project or proposal. Also attached are the application and eligibility guidelines which were included in the 2024 *Celebrate Kent!* RFP package.

No Council action is required on the attached grant allocations since the funding for this program is appropriated in the 2024 City budget. Please let me know if you have any questions concerning the attached materials or if you need any additional information on the 2024 *Celebrate Kent!* Grant Program.

Thank you.

CITY OF KENT, OHIO

DEPARTMENT OF ECONOMIC DEVELOPMENT

TO: Potential *Celebrate Kent!* Program Applicant

FROM: Eric Helmstedter, Economic Development Director

DATE: January 25, 2024

SUBJECT: *Celebrate Kent!* Program Request for Proposals

Attached are a Request for Proposals (RFP), application and statement of success form for the City's *Celebrate Kent!* and Diversity Grant Program. If you would like the City to mail you a hard copy of the application and supporting documentation, please send me an e-mail at eric.helmstedter@kentohio.gov listing "Celebrate Kent!" in the subject line and I will get a copy in the mail to you.

Please be aware that the total funding available to support all *Celebrate Kent!* And Diversity Grant projects is \$15,000 for FY 2024. If you have any questions, please do not hesitate to call me. ***The deadline for submitting applications for this year's round of funding is Friday, February 16, 2024, at 5:00pm.***

We look forward to reviewing this year's *Celebrate Kent!* Proposals.

REQUEST FOR PROPOSALS

The City of Kent is accepting applications from qualified applicants for the FY 2024 round of the City's *Celebrate Kent!* Grant Program for events that take place between January 1, 2024, and December 31, 2024. Attached is a brief description of the program. The submission deadline for organizations interested in applying for funding is February 16, 2024, at 5:00 p.m.

The total funding available to support all *Celebrate Kent!* projects is \$13,000 for FY 2024.

Kent City Council also has authorized \$2,000 in annual *Celebrate Kent!* Grant funds to be designated and made available to support events focused on diversity. Information on what applies to this diversity grant opportunity has been included in the attached guidelines.

All applications received by the stated deadline will be reviewed by the Economic and Community Development Departments to verify submitted applications are complete and to determine the eligibility of proposed projects. A list of recommended projects and grant funding levels will be developed and then forwarded to the Kent City Council for consideration and funding approval.

As proposals are evaluated, greater weight will be given to the following factors:

- The past attendance for previously held events based on submitted statements of success
- Previously held events that are expanded to attract new attendees
- New events designed to attract first time visitors to downtown Kent
- Events that are staged in a public space(s) near multiple downtown businesses
- Events that are staged in multiple downtown private venues

Questions concerning the *Celebrate Kent!* Grant Program should be directed to Eric Helmstedter at 330-676-7582 or via email at eric.helmstedter@kentohio.gov.

COMPLETED PROPOSALS SHOULD BE RETURNED TO:

The City of Kent
Economic Development Department
930 Overholt Road
Kent, Ohio 44240
ATTN.: Eric Helmstedter

Phone: 330-676-7582 Fax: 330-678-8030
E-mail: eric.helmstedter@kentohio.gov

Celebrate Kent!

PROGRAM GUIDELINES

PROGRAM GOAL:

To provide new opportunities to celebrate the quality of life enjoyed by City of Kent residents and share with those outside of the community the attributes that make Kent a unique and exciting place to work, play, learn and live.

OBJECTIVES:

1. Attract Kent residents, and visitors from other communities to downtown activities and events.
2. Promote the City's attributes to those outside of the City.
3. Create additional commercial opportunities for businesses operating in the downtown district.

PROGRAM REQUIREMENTS:

1. The project needs to be oriented towards attracting people to the Kent downtown district and must be held within the downtown district.
2. Applicants must be, or represent, a Kent company or organization.
3. Funding is intended to support **verifiable program expenses** which includes hard costs such as materials, advertisements, flyers, printing, etc. Funding for administrative purposes such as salaries, general office supplies, agency overhead, payment for services provided by applicant employees or representatives, etc. will not be considered eligible project costs.
4. At the completion of the event(s) the applicant must submit a Statement of Success report to the City of Kent summarizing and documenting the results of the event(s), and explaining how the stated program goals and objectives were met.
5. Grant funds will be disbursed on a reimbursement basis only for eligible expenses as identified in the Project Description and Project Budget sections of the submitted application. All invoices must be for good or services specific to the event only and must specify the quantity of the item or service provided. All eligible expenses must be documented through **third-party invoices and proof of payment**. Hand written receipts or bills that are not formalized company invoices will not be accepted. No disbursements will be authorized until the report mentioned in item number 4 has been received by the City of Kent.
6. Each dollar of grant funding must be matched with one-dollar from another source, or two-dollars of in-kind contribution. A combination of both cash and in-kind contributions is permissible; however, separate and distinct accounting procedures must be maintained for each of the two sources. Evidence of all matching contributions, be they in-kind or cash, must be verifiable, and accepted by the City of Kent prior to reimbursement.
7. Grants must be completed within one year of the date of the executed grant agreement. The final invoice for payment must be submitted no later than **60 days after the funded event occurs** or the applicant will forfeit their grant funds.
8. All 2024 *Celebrate Kent!* Grant agreements must be signed within 30 days of notification of grant award.
9. If an organization is submitting an application for multiple events, it should submit one application covering all of the events.

Diversity Grants

The term diversity will be applied broadly to include a myriad of focus areas, including but not limited to ethnicity, gender, disability, race, socio-economic status, national origin, religion, sexual orientation, culture, etc.

Events that will be eligible for diversity grant funding consideration will be evaluated to determine if the event will:

1. Promote diversity and inclusion through engagement in events that encourage residents and visitors from varying diversity dimensions and backgrounds to attend or participate;
2. Focus on event ideas that encourage involvement of participants from outside of traditional neighborhood footprint and different from immediate peer group;
3. Be incorporated as a component of a larger event if measurable diversity outcomes can be identified;
4. Not be used for political candidates, petitions, issues, or lobbying activities.

***Celebrate Kent!* APPLICATION**

In the space below, please respond to each of the following application components. Attachments are welcome; however, they **may not** be substituted for one or more of the application requirements.

DATE: March 25, 2024
TO: Dave Ruller, City Manager
FROM: Kailyn, Cyrus, Development Planner
RE: 2024 Social Service Funding Awards

The Community Development Department has completed its review of the grant applications it received from organizations seeking 2024 Social Service grant funding from the City. The final grant funding awards for each project are listed on the attached table and an outline of each project is also enclosed. The City received applications from seven (7) different nonprofit organizations seeking support for nine (9) different programs or activities totaling \$154,307.16. Seven (7) projects were funded in full, totaling \$61,944.16. Two (2) programs were not funded as they did not meet the criteria for the grant. The total amount of funding available is \$65,000. These projects provide a myriad of needed supportive services for Kent residents, including counseling, programs for the homeless and free legal assistance.

Staff will draft 2024 Social Service agreements and submit any that require Board of Control approval under separate cover.

If you have any questions concerning the 2024 Social Service grant funding allocation amounts or need additional information about any of the programs, please let me know.

Cc: Rhonda Hall, Director of Budget and Finance (via e-mail)
Bridget Susel, Community Development Director (via e-mail)
Amy Wilkens, Clerk of Council (via e-mail)

2024 Social Service Program -- Outline of Proposals

Applicant: Coleman Health Services

Program: Eviction Prevention/Housing Start-ups

- Amount Recommended: \$14,000
- The Eviction Prevention/Housing Start-up program provides direct assistance (for rent, utility payments or security deposits) for persons with a severe and persistent mental illness to obtain housing or to avoid being evicted from housing. Once housing is obtained or stabilized, these individuals receive ongoing supportive services to maintain housing.

Applicant: Community Legal Aid Services, Inc.

Program: Legal Assistance for Kent Residents

- Amount Recommended: \$6,000
- This program administers legal counsel/representation for low-income clients who cannot afford private legal counsel. Many types of legal assistance are available including legal matters relating to: social security, housing, consumer matters, domestic violence, child abuse and general advice to avoid legal problems.

Applicant: AxxessPointe Community Health Centers

Program: Housing and Emergency Support Services (HESS)

- Amount Recommended: \$10,000
- The HESS program supplies direct assistance (rent arrears or deposits) to obtain housing or to avoid being evicted from housing. If needed, once housing is secured or stabilized, individuals may receive ongoing supportive services/case management to maintain housing.

Applicant: AxxessPointe Community Health Centers

Program: Portage Area Recovery Center

- Amount Recommended: \$5,000
- This program will reimburse costs associated with provision of supportive services and overall case management for women who are recovering from addiction at the Portage Area Recovery Center.

Applicant: AxxessPointe Community Health Centers

Program: Safer Futures

- Amount Recommended: \$7,000
- Safer Futures is a domestic violence shelter that assists women and children who are victims of domestic violence by providing safe shelter and taking measures to meet the basic needs of its residents. Shelter staff coordinates client intakes; provides support services, case management, goal planning, advocacy, and connections for legal help.

2024 Social Service Program -- Outline of Proposals (continued)

Applicant: Lovelight, Inc.

Program: Building Community, Building Futures – Youth Component

- Amount Recommended: \$11,174.46
- Provides activities and programming for youth after school and as part of the summer. It includes weekly, outdoor, after school activities when the weather is warm enough during the school year and summer activities that may include games, crafts, art, music, personal development and esteem building experiences.
- Tutoring PLUS sessions will be offered twice a week during the school year at the Villages at Franklin.
-

Applicant: Portage Metropolitan Housing Authority

Program: Good Neighbor Program

- Amount Recommended: \$8,769.70
- PMHA's Social Service Coordinator organizes the various aspects of the program. This includes encouraging public housing residents to be observant in their neighborhoods related to crime, nuisances or maintenance issues; there is outreach with the KPD public info officer related to crime and reporting. Other services provided to PMHA residents include: employment, budgeting and self-improvement programming. Plans also include helping residents plan, plant, harvest and maintain community gardens.

CITY OF KENT, OHIO

DEPARTMENT OF COMMUNITY DEVELOPMENT

DATE: March 21, 2024
TO: Dave Ruller, City Manager
FROM: Eric Helmstedter, Economic Development Director 
RE: Special Event Permit: Earth Day Vendor Market

On Saturday, April 20, 2024, Branded in Kent will be hosting an Earth Day Vendor Market in Dan Smith Park. The number of vendors who have signed up to participate in the event has exceeded the capacity at Dan Smith Park. As a result, a special event permit application was received by the City requesting the closure of East Erie Street between South Water Street and the private alley utilized as a drive-thru lane by Tree City Coffee. The requested street closure will provide additional space to accommodate the vendors that cannot fit into Dan Smith Park. The event organizer is estimating that 2,000 people will visit the market.

I am respectfully requesting time at the April 3, 2024 Council Committee session to discuss this item in more detail and to request Council's authorization, with emergency, for the street closure on April 20, 2024 from 9:00 a.m. to 7:00 p.m.

Please let me know if you have any questions concerning the attached materials or if you need any additional information to add this to the April 3, 2024 agenda.

Thank you.
