Subject: Amazon Gift Card donation

Dave,

You may have seen a post on our Facebook page that our medic crews were able to resuscitate a female worker recently at KSU that had gone into cardiac arrest. It was a good story, and many folks deserve thanks beyond our medics. Yesterday she came to the station to express her gratitude and gave out individual Thank You's to the guys that treated her. After she left, they discovered \$50 Amazon cards (total \$250) in their personal Thank You's.

Hope thought maybe you would get council to approve the fire department accepting those. The idea was that maybe we could order towels, coffee, etc that could be used by all KFD staff for the good of the fire department operation. I have the cards. Let me know how you feel about this and if I would need to do anything else like provide her name or something.
