SECTION 2. Authorized Principal Amount and Purpose. This Council determines that it is necessary and in the best interest of the City to issue bonds of the City in one lot in the maximum principal amount of \$3,190,000 (the “Bonds”) for the purpose of refunding at a lower interest cost certain of the City’s outstanding Safety Center Construction Bonds, Series 2014, dated December 11, 2014, which were issued for the purpose of paying a portion of the costs of constructing and equipping a safety center, including the acquisition of real estate in connection therewith, including the payment of expenses related to the refunding of the Refunded Bonds and the issuance of the Bonds.

The aggregate principal amount of Bonds to be issued shall not exceed \$3,190,000 and shall be issued in an amount determined by the Director of Budget and Finance in the Final Terms Certificate to be the aggregate principal amount of Bonds required to be issued, taking into account the outstanding principal amount of the Refunded Bonds and any premium above or discount from the aggregate principal amount of the Bonds at which they are sold to the Original Purchaser, in order to effect the purpose for which the Bonds are to be issued, including the payment of any expenses properly allocable to the refunding of the Refunded Bonds and the issuance of the Bonds.

SECTION 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in the Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated as provided in the Final Terms Certificate, provided that their dated date shall not be more than 60 days prior to the Closing Date.

(a) Interest Rates and Interest Payment Dates. The Bonds shall bear interest at the rate or rates per year (computed on the basis of a 360-day year consisting of 12 30-day months) as shall be determined by the Director of Budget and Finance in the Final Terms Certificate. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their

date.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements (as hereinafter defined and described) on the Principal Payment Dates in principal amounts as shall be determined by the Director of Budget and Finance, subject to subsection (c) of this Section, in the Final Terms Certificate, consistent with the Director of Budget and Finance's determination of the best interest of and financial advantages to the City.

Consistent with the foregoing and in accordance with the Director of Budget and Finance's determination of the best interest of and financial advantages to the City, the Director of Budget and Finance shall specify in the Final Terms Certificate (i) the aggregate principal amount of Bonds to be issued as Serial Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date, and (ii) the aggregate principal amount of Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be subject to mandatory sinking fund redemption ("Mandatory Redemption Dates") and the principal amount thereof that shall be payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Mandatory Redemption Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date, shall be such as to demonstrate net present value savings to the City due to the refunding of the Refunded Bonds, taking into account all expenses related to that refunding and issuance of the Bonds.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Bonds shall be payable when due upon presentation and surrender of the Bonds at the office of the Bond Registrar designated in the Final Terms Certificate or, if not so designated, then at the principal corporate trust office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15<sup>th</sup> day preceding that Interest Payment Date. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book entry system, principal of and interest and any premium on the Bonds shall be payable in the manner provided in any agreement entered into by the Director of Budget and Finance, in the name and on behalf of the City, in connection with the book entry system.

(e) Redemption Provisions. The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption of Term Bonds. If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot

and be redeemed pursuant to mandatory sinking fund requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those dates, for which provision is made in the Final Terms Certificate (such dates and amounts being the Mandatory Sinking Fund Redemption Requirements).

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that date the principal amount of Term Bonds payable on that date pursuant to Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as hereinafter provided).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Director of Budget and Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered. That option shall be exercised by the City on or before the 15<sup>th</sup> day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Director of Budget and Finance, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Director of Budget and Finance, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Budget and Finance, for Term Bonds stated to mature on the same Principal Payment Date as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities, if any, specified in the Final Terms Certificate shall be subject to redemption by and at the sole option of the City, in whole or in part in whole multiples of \$5,000, on the dates, in the years and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Budget and Finance in the Final Terms Certificate; provided that (i) the earliest optional redemption date shall not be more than 10½ years after the Closing Date and (ii) the redemption price for the earliest optional redemption date shall

not be greater than 102%.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Director of Budget and Finance to the Bond Registrar, given upon the direction of this Council through enactment of a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities selected by the City. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds of that maturity to be redeemed, or portions thereof in amounts of \$5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than \$5,000 are then outstanding, each \$5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a \$5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the \$5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmaturing and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15<sup>th</sup> day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to

any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to Section 7, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

SECTION 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the City Manager and the Director of Budget and Finance, in the name of the City and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Director of Budget and Finance, shall be numbered as determined by the Director of Budget and Finance in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of Chapter 133 of the Revised Code, this Ordinance and the Final Terms Certificate.

The Huntington National Bank is appointed as the initial Bond Registrar; provided, however, that the Director of Budget and Finance is authorized to appoint a different Bond Registrar in the Final Terms Certificate after determining that such bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose. The City Manager and the Director of Budget and Finance shall sign and deliver, in the name and on behalf of the City, the Bond Registrar Agreement, in substantially the form as is now on file with the Clerk of Council. The Bond Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Director of Budget and Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Registrar Agreement or amendments thereto. The Director of Budget and Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Bond Registrar Agreement, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Bond Purchase Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Budget and Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

SECTION 5. Registration; Transfer and Exchange; Book Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Director of Budget and Finance and the Bond Registrar. Subject to the provisions of Section 6, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the office of the Bond Registrar designated in the Final Terms Certificate or, if not so designated, then at the principal corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer.

Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15<sup>th</sup> day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book Entry System. Notwithstanding any other provisions of this Ordinance, if the Director of Budget and Finance determines in the Final Terms Certificate that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book entry system and, if and so long as a book entry system is utilized, (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository or its designated agent which may be the Bond Registrar; (ii) the book entry interest owners of Bonds in book entry form shall not have any right to receive Bonds in the form of physical securities or certificates; (iii) ownership of book entry interests in Bonds in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book entry system, the Director of Budget and Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Budget and Finance does not or is unable to do so, the Director of Budget and Finance, after making provision for notification of the book entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form to be authenticated by the Bond Registrar and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Budget and Finance is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Director of Budget and Finance determines to be necessary in connection with a book entry system for the Bonds.

#### SECTION 6. Award and Sale of the Bonds.

(a) Original Purchaser Designated in Final Terms Certificate. The Bonds shall be sold at private sale to the Original Purchaser at a purchase price, not less than 97% of the aggregate principal amount thereof, as shall be determined by the Director of Budget and Finance in the Final Terms Certificate, plus accrued interest on the Bonds from their date to the Closing Date, and shall be awarded by the Director of Budget and Finance with and upon such other terms as are required or authorized by this Ordinance to be specified in the Final Terms Certificate, in accordance with

law and the provisions of this Ordinance and the Bond Purchase Agreement. The Director of Budget and Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code in which case a single Final Terms Certificate (and Bond Purchase Agreement, Bond Registrar Agreement, Continuing Disclosure Agreement, Escrow Agreement, official statement, and other transcript and other documents) may be utilized for the consolidated bond issue (and other City bond issue(s)) if appropriate and consistent with the terms of this Ordinance.

The Director of Budget and Finance shall sign and deliver the Final Terms Certificate and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The City Manager, Director of Budget and Finance, Director of Law, Clerk of Council and other City officials, as appropriate, each are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

The Director of Budget and Finance shall sign and deliver, in the name and on behalf of the City, the Bond Purchase Agreement, in substantially the form as is now on file with the Clerk of Council, providing for the sale to, and the purchase by, the Original Purchaser of the Bonds. The Bond Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Director of Budget and Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Purchase Agreement or amendments thereto.

(b) Primary Offering Disclosure – Official Statement. The City Manager and the Director of Budget and Finance, on behalf of the City and in their official capacities, are authorized to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, an official statement in connection with the original issuance of the Bonds, (ii) determine, and to certify or otherwise represent, when the official statement is to be “deemed final” (except for permitted omissions) by the City or is a final official statement for purposes of SEC Rule 15c2-12(b)(1), (3) and (4), (iii) use and distribute, or authorize the use and distribution of, that official statement and any supplements thereto in connection with the original issuance of the Bonds and (iv) complete and sign that official statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of that official statement as they deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Bonds, the City agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of the Rule. The City Manager and the Director of Budget and Finance are authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the City, in substantially the form as is now on file with the Clerk of Council. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance and not substantially adverse to the City and that are approved by the Director of

Budget and Finance, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Director of Budget and Finance is further authorized and directed to establish procedures in order to ensure compliance by the City with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Director of Budget and Finance shall consult with and obtain legal advice from, as appropriate, the Director of Law and/or bond or other qualified independent special counsel selected by the City. The Director of Budget and Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the City of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

(d) Application for Rating or Bond Insurance; Financing Costs. If, in the judgment of the Director of Budget and Finance, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to this City, the Director of Budget and Finance is authorized to prepare and to submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or policy, except to the extent paid by the Original Purchaser in accordance with the Bond Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or to be appropriated for that purpose. The Director of Budget and Finance is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, that the Director of Budget and Finance determines to be necessary in connection with obtaining that bond insurance.

The expenditure of the amounts necessary to secure those rating(s) and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, to the extent not paid by the Original Purchaser in accordance with the Bond Purchase Agreement, is authorized and approved, and the Director of Budget and Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

SECTION 7. Refunding; Call of Refunded Bonds. This Council determines that it is necessary and in the best interest of the City to refund the Refunded Bonds. The Director of Budget and Finance is authorized and directed to give to The Huntington National Bank, as the authenticating agent, bond registrar, transfer agent and paying agent for the Refunded Bonds, or any successor thereto, on or promptly after the Closing Date, written notice of the call for redemption, and the Refunded Bonds shall be redeemed in accordance with the Original Bond Legislation and the Escrow Agreement. The City covenants for the benefit of the holders of the Refunded Bonds and of the Bonds, that it will at no time on or after the Closing Date take actions to modify or rescind that call for prior redemption, and that it will take, and will cause the bond registrar and paying agent for the Refunded Bonds to take, all steps required by the terms of the Refunded Bonds to make and perfect that call for prior redemption.

SECTION 8. Escrow Trustee. The Huntington National Bank is appointed as the initial Escrow Trustee with respect to the refunding of the Refunded Bonds; provided, however, that the Director of Budget and Finance is authorized to appoint a different Escrow Trustee in the Final Terms Certificate after determining that such bank or trust company will not endanger the funds or securities to be held in trust for redemption of the Refunded Bonds and that proper safeguards are available for that purpose. The Escrow Trustee is authorized and directed to cause notice of the refunding of the Refunded Bonds to be given in accordance with the Escrow Agreement. The City Manager and the Director of Budget and Finance shall sign and deliver, in the name and on behalf of the City, the Escrow Agreement, in substantially the form as is now on file with the Clerk of Council. The Escrow Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Director of Budget and Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Escrow Agreement or amendments thereto. The Director of Budget and Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Escrow Agreement (including the fees and expenses of a mathematical verification agent to be appointed by the Director of Budget and Finance in the Final Terms Certificate), except to the extent paid or reimbursed by the Original Purchaser in accordance with the Bond Purchase Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

SECTION 9. Escrow Fund. There is created under the Escrow Agreement a trust fund designated the "City of Kent 2014 Bonds Escrow Fund" which shall be held and maintained by the Escrow Trustee in trust for the registered owners of the Refunded Bonds and is pledged for the payment of principal of and interest on the Refunded Bonds, all in accordance with the provisions of the Escrow Agreement. The Director of Budget and Finance is hereby authorized and directed to pay to the Escrow Trustee for deposit in the Escrow Fund (i) any funds on deposit in the Bond Retirement Fund for the payment of debt charges on the Refunded Bonds and (ii) all of the proceeds from the sale of the Bonds, except any accrued interest and any proceeds to be used for the payment of any expenses properly allocable to the refunding of the Refunded Bonds or the issuance of the Bonds as determined by the Director of Budget and Finance. Those funds are appropriated and shall be applied to pay principal of and interest on the Refunded Bonds, as provided in the Escrow Agreement.

The funds so deposited in the Escrow Fund shall be (a) held in cash to the extent that they are not needed to make the investments hereinafter described and (b) invested in direct obligations of, or obligations guaranteed as to payment by, the United States of America (within the meaning of Section 133.34(D) of the Revised Code) that mature or are subject to redemption by and at the option of the holder, in amounts sufficient, together with any uninvested cash in the Escrow Fund but without further investment or reinvestment, for the payment of principal of and interest on the Refunded Bonds as provided in the Escrow Agreement.

If U.S. Treasury Securities – State and Local Government Series are to be purchased for the Escrow Fund, the Original Purchaser and the Escrow Trustee are hereby specifically authorized to file, on behalf of the City, subscriptions for the purchase and issuance of those U.S. Treasury Securities – State and Local Government Series. If, in the judgment of the Director of Budget and Finance, an open-market purchase of obligations described in (b) in the preceding paragraph for the Escrow Fund is in the best interest of and financially advantageous to the City, the Director of Budget

and Finance or any other officer of the City, on behalf of the City and in the Director of Budget and Finance's official capacity, may purchase and deliver such obligations, engage the services of a financial advisor, bidding agent or similar entity for the purpose of facilitating the bidding, purchase and delivery of such obligations for, and any related structuring of, the Escrow Fund, execute such instruments as are deemed necessary to engage such services for such purpose, and provide further for the payment of the cost of obtaining such services, except to the extent paid by the Original Purchaser in accordance with the Bond Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

If the City determines to fund or refund other outstanding general obligation securities (collectively, the Other Refunded Obligations) contemporaneously with the refunding of the Refunded Bonds, the proceeds from the sale of bonds and other funds necessary and sufficient for that purpose may be deposited in the Escrow Fund and commingled and invested with the proceeds of the Bonds and other funds necessary and sufficient for the refunding of the Refunded Bonds. In that event, the Escrow Fund shall be held and maintained by the Escrow Trustee in trust for the registered owners of the Refunded Bonds and the Other Refunded Obligations and pledged to the payment of principal of and interest and redemption premium on the Refunded Bonds and the Other Refunded Obligations.

SECTION 10. Application of Proceeds. The proceeds from the sale of the Bonds (except any accrued interest and any proceeds to be used for the payment of any expenses properly allocable to the refunding of the Refunded Bonds or the issuance of the Bonds as determined by the Director of Budget and Finance) shall be paid into the Escrow Fund as provided in Section 9. Any proceeds to be used for the payment of any expenses properly allocable to the refunding of the Refunded Bonds or the issuance of the Bonds, as determined by the Director of Budget and Finance, shall be paid into the proper fund or funds. Any proceeds representing accrued interest shall be paid into the Bond Retirement Fund. The proceeds from the sale of the Bonds (except any accrued interest) are appropriated and shall be used for the purpose for which the Bonds are being issued.

SECTION 11. Provisions for Tax Levy. There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due. To the extent not provided for by other funds appropriated for the payment of debt charges, in each year the amount of such property tax shall be reduced by the amount of lawfully available municipal income taxes appropriated and to be applied to the payment of the debt charges on the Bonds in compliance with the following covenant. To the extent necessary, the debt charges on the Bonds shall be paid from municipal income taxes lawfully available therefore under the Constitution and laws of the State of Ohio; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7), Revised Code, to appropriate annually from such municipal

income taxes such amounts, and to continue to levy and collect such municipal income taxes in such amounts, as are necessary to meet such annual debt charges. Nothing in this section in any way diminishes the irrevocable pledge of the full faith and credit and general property taxing power of the City to the prompt payment of the debt charges on the Bonds.

SECTION 12. Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Section 141, 148 or 149 of the Code, or (ii) be treated other than as bonds to which Section 103 of the Code applies, and (b) the interest thereon will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Budget and Finance, or any other officer of the City having responsibility for the issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation (including specifically designation or treatment of the Bonds as “qualified tax-exempt obligations,” if such designation or treatment is applicable and desirable), choice, consent, approval or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting the favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

Each covenant made in this Section with respect to the Bonds is also made with respect to all issues any portion of the debt charges on which is paid from proceeds of the Bonds (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Bonds from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to

those issues as they are authorized in this Section to take with respect to the Bonds.

That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Director of Budget and Finance is authorized and directed, to the extent they are not paid by the Original Purchaser in accordance with the Bond Purchase Agreement, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

SECTION 16. Retention of Municipal Advisory Services. The municipal advisory services of Baker Tilly Municipal Advisors, LLC, as municipal advisor in connection with the issuance of the Bonds, are retained pursuant to an engagement agreement which has been delivered to the City by that firm. For those municipal advisory services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those services. That engagement agreement, and the execution thereof by the City Manager, is hereby authorized, ratified and approved, the Director of Budget and Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.
